AR15 DMR Gen 3 Triggers Safety Instruction Guide

Introduction

Thank you for choosing the AR15 DMR Gen 3 Trigger by KE ARMS. This guide provides essential safety information and instructions to ensure the safe use and installation of your trigger. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm modifications and accessories.
- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Regularly inspect your trigger and firearm for signs of wear or damage.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the AR15 DMR Gen 3 Trigger with compatible AR15 platforms.
- Verify that the trigger is properly installed before use.
- Ensure that the trigger is adjusted to your preference before using the firearm.
- Avoid using ammunition that is not recommended for use with the AR15 platform.
- Do not modify the trigger or any of its components beyond the manufacturer's specifications.
- Be aware that using hard primers or combloc ammo may affect trigger performance.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and safe.
2. Remove the original trigger assembly from your AR15 following the manufacturer's instructions.
3. Install the AR15 DMR Gen 3 Trigger:
 - Align the trigger with the trigger pin holes.
 - Insert the trigger pins securely.
 - Ensure that the trigger is seated properly and functions smoothly.
4. Adjust the trigger reset to your preference using the adjustment screw.
5. Conduct a function check to ensure proper operation before live fire.

Usage

- Familiarize yourself with the trigger's operation before using it in livefire situations.
- Practice proper trigger discipline at all times.
- Ensure that you are in a safe environment when testing your trigger.
- Always wear appropriate eye and ear protection while shooting.

Disposal Instructions

- Dispose of the AR15 DMR Gen 3 Trigger in accordance with local regulations.
- If the trigger is damaged or no longer usable, contact a qualified firearms disposal service for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the AR15 DMR Gen 3 Trigger, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and responsible firearm use. Enjoy your new AR15 DMR Gen 3 Trigger!
