# SCT 19 Compact Frame Safety Instruction Guide

## Introduction

Thank you for choosing the SCT 19 Compact Frame from SCT Manufacturing. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the frame.

## General Safety Guidelines

- Ensure that the SCT 19 Compact Frame is used only for its intended purpose.
- Always handle the frame with care to avoid injury.
- Keep the frame and all related components out of reach of children and unauthorized users.
- Regularly inspect the frame for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm components and usage.

## Specific Safety Precautions for Use

- Always treat the frame as if it is loaded, even when it is not.
- Use only Glock Gen 13 parts and Glock 19 magazines with this frame.
- Ensure that you have a proper understanding of firearm safety and handling before using this frame.
- Wear appropriate eye and ear protection when using the firearm.
- Avoid using the frame in wet or humid conditions to prevent corrosion.
- Ensure that the grip texture does not obstruct your ability to handle the firearm safely.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that all components are compatible with the SCT 19 Compact Frame.
- Carefully follow the manufacturer's instructions for assembling the frame with Glock parts.
- Ensure that the molded in front and rear slide rails are properly aligned during assembly.
- Check the fitment of the 4slot picatinny rail for any mounted accessories.

### 2. Usage:

- Before using the frame, ensure that it is properly assembled and all parts are secure.
- Load the magazine with the appropriate 9 mm Luger cartridges, ensuring the 15round capacity is not exceeded.
- Insert the magazine into the beveled magazine well for a smooth reload.
- Utilize the extended beavertail and undercut trigger guard for improved grip and control.
- Always keep your finger off the trigger until you are ready to shoot.

## Disposal Instructions

- Dispose of the SCT 19 Compact Frame in accordance with local regulations.
- Do not dispose of the frame in regular household waste.
- Check with local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EUbased contact point provided with your product. You can also check for recall updates on the EU's Safety Gate platform.

## **Conclusion**

Your safety is our priority. By following these guidelines and precautions, you can ensure a safe and enjoyable experience with the SCT 19 Compact Frame. Thank you for your attention to these important safety instructions.
