

## 6.5 PRC BRASS - PETERSON CARTRIDGE 6.5 PRC BRASS CASE 250/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Developed by George Gardner of G.A. Precision and based off the Ruger Compact Magnum case, the 6.5 PRC was created for use in the Precision Rifle Series matches. This new cartridge quickly gained favor as some dubbed it a magnum version of the 6.5 Creedmoor. Big game hunters also took notice of the 6.5 PRC's ability to approach .264 Winchester Magnum and 6.5-300 Weatherby's performance, while using less powder and generating less recoil.

### Attributes

- Name: [PETERSON CARTRIDGE 6.5 PRC BRASS CASE 250/BOX](#)
- Manufacturer: [PETERSON CARTRIDGE](#)
- Product no.: 430102346
- Mfr. No.: 40062-I
- Cartridge: 6.5 PRC
- Rounds: 250
- Quantity: 250
- Delivery weight: 4.536kg
- Shipping height: 121mm
- Shipping width: 267mm
- Shipping length: 260mm
- UPC: 810068271201

### Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 6.5 PRC Brass Peterson Cartridge

## Introduction

Thank you for choosing the 6.5 PRC Brass Peterson Cartridge. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the cartridge and keep it for future reference.

## General Safety Guidelines

- Ensure that you are of legal age to purchase and use ammunition in your jurisdiction.
- Always handle ammunition with care to prevent accidents.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Check for any visible damage to the cartridges before use. Do not use damaged cartridges.
- Always use the appropriate firearm that is designed for the 6.5 PRC cartridge.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not load your firearm until you are ready to fire.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Do not attempt to modify or alter the cartridge in any way.
- If a cartridge fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.
- Avoid using ammunition that has been exposed to extreme temperatures or conditions.

## Instructions for Installation and Usage

- Ensure your firearm is clean and in good working condition before use.
- Load the 6.5 PRC cartridges into the magazine or chamber of the firearm according to the manufacturer's instructions.
- Verify that the firearm is unloaded when handling or transporting it.
- Always follow the manufacturer's instructions for your specific firearm model regarding loading, unloading, and firing.
- After firing, ensure that the firearm is cleared of all cartridges before cleaning or maintenance.

## Disposal Instructions

- Dispose of spent cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash; check with local authorities for proper disposal methods.
- If you have unused or unwanted ammunition, contact local law enforcement or a licensed dealer for safe disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 6.5 PRC Brass Peterson Cartridge, please refer to the contact information provided on the packaging or consult your retailer.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your 6.5 PRC Brass Peterson Cartridge. Thank you for your attention to safety.
