

300 PRC BRASS - PETERSON CARTRIDGE 300 PRC BRASS 250/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Introduced to the shooting world in 2018 by Hornady, the PRC in .300 PRC stands for "Precision Rifle Cartridge". This new cartridge features a .532" head diameter, a 30-degree shoulder and unlike previous generations of magnum rifle cartridges, has no belt. Coupled with long, heavy for caliber VLD target or hunting bullets and relatively fast twist rate barrels, the .300 PRC ushers in a new era of .30 caliber performance.

Safety Instruction Guide for 300 PRC Brass Peterson Cartridge

Introduction

Thank you for choosing the 300 PRC Brass Peterson Cartridge. This guide provides important safety information and instructions to ensure safe handling and use of the product. Please read this guide carefully before using the cartridge.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect cartridges for any visible damage before use. Do not use damaged cartridges.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Use the cartridge only in firearms specifically designed for the .300 PRC caliber.
- Follow the firearm manufacturer's instructions regarding the use of ammunition.
- Avoid exposing the cartridge to extreme temperatures or humidity.
- Never attempt to modify or alter the cartridge in any way.
- Do not mix different types of ammunition or cartridges.
- Ensure that the firearm is in good working condition before use.

Instructions for Installation and Usage

- Before loading the cartridge into the firearm, ensure that the firearm is pointed in a safe direction.
- Load the cartridge according to the manufacturer's instructions for your specific firearm model.
- After loading, maintain a proper shooting stance and grip.
- Fire the cartridge only when you are ready and it is safe to do so.
- After firing, wait a few moments before checking the firearm for any malfunctions.

Disposal Instructions

- Dispose of any unused or damaged cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that spent cartridges are disposed of safely to prevent injury to others.

Contact Information for Further Support

For any questions or concerns regarding the 300 PRC Brass Peterson Cartridge, please consult the product packaging or visit the manufacturer's website for additional resources and support.

By following these safety guidelines and precautions, you can help ensure a safe and enjoyable experience with your 300 PRC Brass Peterson Cartridge. Thank you for your attention to safety.
