# M4EX03 5.56X45MM NATO SEMIAUTO RIFLE

## Safety Instruction Guide

### Introduction

Thank you for choosing the M4EX03 5.56X45MM NATO SemiAuto Rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your firearm. It is crucial to adhere to these guidelines to protect yourself and others.

### General Safety Guidelines

- Always treat the rifle as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Use only the recommended ammunition type (5.56 x 45 NATO) to avoid malfunctions.
- Follow all local, state, and national laws regarding firearm ownership and usage.

### Specific Safety Precautions for Use

- Ensure that you are in a safe environment when handling or firing the rifle.
- Use protective eyewear and hearing protection when shooting.
- Never use the rifle under the influence of alcohol or drugs.
- Do not attempt to modify or alter the rifle in any way.
- Be cautious of potential hazards in your shooting environment, such as bystanders or animals.
- If the rifle fails to fire, keep it pointed downrange for at least 30 seconds before attempting to clear the malfunction.

### Instructions for Installation and Usage

#### 1. Unboxing and Initial Inspection

- Carefully unpack the rifle and check for any visible damage.
- Ensure all components are included as per the product specifications.

#### 2. Loading the Magazine

- Use only the included 30round magazines.
- Load the magazine with 30 rounds of 5.56 x 45 NATO ammunition.
- Ensure the ammunition is seated properly in the magazine.

#### 3. Attaching the Magazine

- Align the magazine with the magazine well.
- Firmly press the magazine into place until you hear a click.

#### 4. Chambering a Round

- Pull the charging handle fully to the rear and release it to chamber a round.
- Ensure the safety selector is in the "fire" position when you are ready to shoot.

#### 5. Firing the Rifle

- Aim the rifle at your target.
- Place your finger on the trigger only when you are ready to shoot.
- Squeeze the trigger gently to fire.

## 6. Clearing the Rifle

- If you need to clear the rifle, ensure it is pointed in a safe direction.
- Pull the charging handle to the rear to eject any chambered round.
- Remove the magazine by pressing the magazine release button.

## 7. PostUse Care

- Clean the rifle after each use to maintain performance and safety.
- Store the rifle in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- If the rifle becomes unserviceable, contact a qualified gunsmith for proper disposal.
- Do not throw the firearm in the regular trash; follow local laws for firearm disposal.

## Contact Information for Further Support

For safety inquiries or assistance regarding your M4EX03 rifle, please refer to the manufacturer's contact information provided with your product documentation.

**Note:** It is essential to stay informed about safety recalls or updates regarding your firearm. Regularly check the EU's Safety Gate platform for any alerts related to your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your M4EX03 5.56X45MM NATO SemiAuto Rifle. Always prioritize safety and responsible handling.
