# Safety Instruction Guide for KRAKEN RED DOT SIGHT

## Introduction

Thank you for choosing the KRAKEN RED DOT SIGHT by Swampfox Optics. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new optic. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the KRAKEN RED DOT SIGHT is used only for its intended purpose.
- Always handle the sight responsibly and keep it out of reach of children.
- Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of optical sights.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper mounting may cause the sight to become loose or misaligned.
- Use in extreme weather conditions without proper precautions may lead to malfunction.
- Direct exposure to bright light sources may affect visibility.

### • Instructions for Avoiding Hazards:

- Always ensure the sight is securely mounted before use.
- Avoid using the sight in conditions that exceed its operational limits.
- Adjust the brightness settings appropriately based on lighting conditions.

### • Age and Audience Specific Warnings:

- This product is not intended for use by children. Ensure adult supervision when in use around minors.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting platform compatible with the KRAKEN RED DOT SIGHT.
- Follow the manufacturer's instructions for mounting the sight securely.
- Use the provided RMR and MOS footprint adapter plates as needed.

### 2. Powering On:

- Insert the CR2032 battery into the sight, ensuring correct polarity.
- Activate the sight by pressing the power button.

### 3. Adjusting the Sight:

- Use the brightness settings to adjust the reticle visibility according to your environment.
- Make necessary adjustments to the click value for precise targeting.

#### **4. General Usage:**

- Always keep the lens clean and free from obstructions.
- Regularly check the sight's alignment and make adjustments as necessary.

## **Disposal Instructions**

- Dispose of the KRAKEN RED DOT SIGHT in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it at designated battery recycling points.
- Do not dispose of the sight in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the KRAKEN RED DOT SIGHT, please refer to the manufacturer's contact details provided on the product packaging or official website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your KRAKEN RED DOT SIGHT. Thank you for your attention to safety!
