# Kraken Red Dot Sight Safety Instructions

## Introduction

Thank you for choosing the Kraken Red Dot Sight by Swampfox Optics. This product is designed to enhance your shooting experience with precision and reliability. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a sighting device for firearms.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the sight out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before each use.
- Do not modify the sight or use it in any manner not specified by the manufacturer.
- Store the sight in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the sight.
- **Environmental Conditions:** Avoid using the sight in extreme weather conditions that may exceed its operational limits.
- **Battery Safety:** Use only the specified CR2032 battery. Dispose of batteries properly according to local regulations.
- **Mounting Stability:** Ensure the sight is securely mounted to prevent it from shifting during use.
- **Brightness Settings:** Adjust the brightness settings according to the lighting conditions to avoid eye strain.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Sight:

- Ensure the firearm is unloaded.
- Select the appropriate footprint adapter plate (RMR or MOS) as needed.
- Securely attach the sight to the firearm's rail system using the provided screws.
- Tighten screws to the manufacturer's recommended torque settings.

#### 2. Battery Installation:

- Locate the battery compartment on the sight.
- Open the compartment and insert the CR2032 battery with the positive (+) side facing up.
- Close the compartment securely.

### Usage

#### 1. Powering On:

- Press the power button to turn on the sight. The green dot reticle will activate.

#### 2. Adjusting Brightness:

- Use the brightness adjustment buttons to select one of the 10 settings based on your environment.

### **3. Zeroing the Sight:**

- Follow the manufacturer's instructions to zero the sight according to your firearm's specifications.

### **4. Maintenance:**

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Regularly check for any loose screws or components.

## **Disposal Instructions**

- Dispose of the sight in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal.
- Do not dispose of batteries in household waste. Follow local guidelines for battery recycling.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please contact the manufacturer directly or visit their official website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Kraken Red Dot Sight!
