

SABER 5X PRISM RED DOT - SWAMPFOX OPTICS SABER 5X36MM 5.56/308 STRIKE GREEN MOA RETICLE BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Saber is the most immersive 5x prism scope on the market, featuring a true ten-degree field of view and fast, forgiving eye box. Versatility is key with the integrated ambidextrous 90° sidecar mounts for our Sentinel dot sight, giving you the ability to transition from 1x to 5x at rapidfire speed. Don't let the size fool you, Saber is the same weight as an LPVO, but provides a more durable body with a superior sight picture. Illumination is available in red or green, with "Shake 'N Wake" motion sensing auto on/off and all the other perks you've come to expect from Swampfox prism scopes. Go big or go home with the Saber 5x!

Safety Instruction Guide for SABER 5X PRISM RED DOT

Introduction

Thank you for choosing the SABER 5X PRISM RED DOT from Swampfox Optics. This guide provides essential safety instructions and usage guidelines to ensure a safe and enjoyable experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the SABER 5X by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices and remedies for potentially dangerous products.
- **Online Shopping:** When purchasing online, ensure that the retailer meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra caution is advised when the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU-based contact point for this product.
- **Rapid Alerts:** Regularly check for updates on the Safety Gate platform for information on unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.
- **Eye Protection:** Always wear appropriate eye protection when using the SABER 5X to prevent potential eye injuries.
- **Secure Mounting:** Ensure that the scope is securely mounted to your firearm to avoid accidents during use.
- **Check for Damage:** Inspect the product for any damage before use. Do not use if damaged.
- **Avoid Excessive Force:** Do not apply excessive force when adjusting the scope to prevent damage.
- **Keep Out of Reach:** Store the product out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the scope.
- Use the included mounting hardware to securely attach the SABER 5X to the firearm.
- Follow the manufacturer's instructions for specific mounting procedures.

2. Usage:

- Adjust the brightness settings according to your environment.
- Use the Shake 'N Wake feature to conserve battery life. The scope will automatically turn on/off based on motion.
- To switch between 1x and 5x magnification, use the integrated sidecar mounts for the Sentinel dot sight.

Disposal Instructions

- Dispose of the SABER 5X in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery disposal.
- Ensure that all components are disposed of properly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the SABER 5X PRISM RED DOT, please refer to the designated contact point provided by the manufacturer. This ensures you receive the most accurate and timely assistance.

By following these guidelines, you can ensure the safe and effective use of your SABER 5X PRISM RED DOT. Thank you for your attention to safety and for choosing Swampfox Optics.
