# Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope Safety Instructions

## Introduction

Thank you for choosing the Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read and follow these instructions carefully to maximize your safety and enjoyment.

## General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always treat your rifle as if it is loaded, even if you believe it is not.
- Keep your rifle scope and firearm secured when not in use, especially away from children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding the use of firearms and rifle scopes.
- Regularly inspect your rifle scope for any signs of damage or wear. If any issues are found, do not use the scope until it has been repaired or replaced.
- Store your rifle scope in a cool, dry place to prevent damage from moisture or extreme temperatures.

## Specific Safety Precautions for Use

- Always use the rifle scope in a safe environment, away from people and animals.
- Ensure that the target area is clear before aiming and firing.
- Use appropriate eye protection when using the rifle scope.
- Do not attempt to disassemble or modify the rifle scope, as this can lead to malfunction or injury.
- Be aware of the illumination settings; do not look directly into the illuminated reticle in bright conditions, as it may cause temporary vision impairment.
- If using the rifle scope for night vision, ensure that the NV settings are correctly adjusted to avoid damage to the scope or your eyesight.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the rifle is unloaded before attaching the scope.
- Mount the scope on the rifle using the provided mounting rings. Follow the manufacturer's instructions for proper alignment and securing.
- Adjust the eye relief by positioning the scope until you achieve a comfortable sight picture.
- Tighten the mounting screws securely but avoid overtightening, which could damage the scope.

### 2. Usage

- Turn on the illuminated reticle using the control knob and select the desired brightness level.
- Adjust the magnification by rotating the magnification ring to set it between 1x to 6x as needed.
- Use the locking turrets to make windage and elevation adjustments without tools.
- Always check the scope's zeroing before use to ensure accuracy.

## Disposal Instructions

When disposing of the Swampfox Arrowhead Rifle Scope, please follow these guidelines: \* Do not dispose of the scope in regular household waste. \* Check local regulations for the proper disposal of electronic equipment. \* If the scope contains a battery, ensure that it is removed and disposed of according to local battery disposal

regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of your Swampfox Arrowhead Rifle Scope, please refer to the manufacturer's website or contact their customer support team.
