

KENTUCKY LONG PRECISION 3-18X50MM ILLUMINATED RIFLE SCOPES - SWAMPFOX OPTICS KENTUCKY LONG PRECISION 3-18X50MM FFP ILL. RECCE MIL BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

This precision riflescope series boasts first focal plane, glass etched illumination, and each scope in this series has a monster zoom ratio of 6x. Turrets are locking and zero re-settable. Includes includes high quality flip caps, 3" sun shade, and both low- and high-profile throw fins. You demand great glass, a smart FFP reticle, and adjustable parallax; but that's not enough. You want reticle illumination for low light situations and locking, zero-resettable target turrets. You want a ton of zoom- top magnification 6 times greater than the starting point. You'll get all that and even more when you step up to Kentucky Long. Illuminated first focal plane reticle Included high and low profile magnification lever Fast Focus Eyepiece Adjustable Parallax from 10 yards to infinity 110 MOA/32 MIL of total internal adjustment Locking Turrets Includes short and tall magnification throw fins, flip up lens caps, scope cloth, and 3" Sunshade.

Kentucky Long Precision 318X50MM Illuminated Rifle Scopes Safety Instruction Guide

Introduction

Thank you for choosing the Kentucky Long Precision 318X50MM Illuminated Rifle Scope by Swampfox Optics. This guide provides essential safety instructions to ensure the safe and effective use of your new riflescope. Please read this manual carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- Do not attempt to disassemble or modify the riflescope.
- Ensure that you are familiar with local laws and regulations regarding the use of rifles and scopes.

Specific Safety Precautions for Use

- Always use the riflescope in a safe environment, free from distractions and hazards.
- When using the riflescope, ensure that the area is clear of people and animals.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Never point the riflescope at anything you do not intend to shoot.
- Use appropriate eye protection when using the riflescope.
- Be aware of the maximum effective range of your rifle and scope combination.
- If you experience any malfunctions or issues with the riflescope, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Mounting the Scope:

- Ensure you have a compatible mounting system for your rifle.
- Follow the manufacturer's instructions for mounting the scope securely to the rifle.
- Make sure the scope is level and aligned with the rifle barrel.

2. Adjusting the Turrets:

- Familiarize yourself with the locking and zeroresettable turrets.
- Make adjustments as needed for windage and elevation according to your shooting conditions.
- Ensure the turrets are locked after making adjustments to prevent accidental changes.

3. Using the Reticle Illumination:

- To activate the illuminated reticle, follow the instructions provided with the scope.
- Adjust the brightness level based on your shooting environment.
- Turn off the illumination when not in use to conserve battery life.

4. Adjusting Parallax:

- Adjust the parallax setting according to the distance of your target.
- Ensure the parallax is set correctly to maintain accuracy.

5. Caring for Your Scope:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Use the included flip caps to protect the lenses when not in use.
- Store the riflescope in a cool, dry place to prevent damage.

Disposal Instructions

- Dispose of the riflescope according to local regulations regarding electronic waste.
- Remove the battery and dispose of it separately in accordance with battery disposal guidelines.
- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any inquiries or assistance regarding your Kentucky Long Precision riflescope, please refer to the manufacturer's contact details provided on the product packaging or their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Kentucky Long Precision 318X50MM Illuminated Rifle Scope. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
