[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Even if you have the world's best quality-built AR-15, all it's good for is firing a single shot if you don't have a quality magazine that'll feed reliably. The Brownells 5.56mm AR-15 Magazine is built right to ensure trouble-free feeding in any of your go-to rifles. Life's too short and precious to rely on cheap AR mags that may or may not work when needed. The team at Brownells wanted to offer magazines to consumers that would withstand the beating of battle, if necessary, so they designed, built and tested a high-quality 5.56mm AR-15 magazine that they could trust with their lives. Built with aluminum body Offered in black, gray, and tan finishes 30-round capacity Includes Magpul anti-tilt follower Each Brownells 5.56mm AR-15 magazine is built to military specifications and are held to ISO quality-control standards and are made by Brownells itself. Each magazine features a stainless-steel spring and is treated with a hard-anodized finish to protect against corrosion.

# Safety Instruction Guide for Brownells AR15 5.56mm Aluminum Magazine

## Introduction

Thank you for choosing the Brownells AR15 5.56mm Aluminum Magazine. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document thoroughly before using the magazine.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 rifle before using this magazine.
- Always handle firearms and ammunition with care and respect.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage. Do not use a damaged magazine.
- Follow local laws and regulations regarding the use and storage of firearms and magazines.
- Be aware of your surroundings when handling firearms to prevent accidents.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction before loading or unloading the magazine.
- Before inserting the magazine, make sure the firearm is on safe and the chamber is empty.
- Use only the specified ammunition (223 Remington, 5.56 mm NATO) with this magazine to avoid malfunctions.
- Do not attempt to modify or alter the magazine in any way.
- Avoid using the magazine in extreme conditions (e.g., high humidity, extreme temperatures) that may affect its performance.
- If the magazine fails to feed properly, stop using it immediately and inspect for any obstructions or damage.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert the cartridges one at a time into the magazine, ensuring that they are seated properly.

### 2. Inserting the Magazine into the Firearm:

- With the firearm pointed in a safe direction, ensure it is on safe.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Maintenance:

- Regularly clean the magazine according to the manufacturer's recommendations.

- Use a soft cloth to remove dirt and debris from the magazine body and follower.
- Inspect the spring for proper tension and replace if necessary.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, it should be disposed of in a manner that prevents unauthorized use.
- Recycle the magazine if local facilities allow for metal recycling.

## **Contact Information for Further Support**
