

BOLT-ACTION 450 BUSHMASTER CARBON FIBER BARREL - CHRISTENSEN ARMS 450 BUSHMASTER 20" 1-16 TWIST SPORTER CONTOUR CF BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Christensen Arms barrels are designed using precision engineering adopted from the aerospace industry; Christensen Arms Rem 700 compatible carbon-fiber barrels are crafted using a proprietary layered design that offers any marksman superior accuracy and performance. The barrel lining is made from match-grade 416R stainless steel and is measured to a tolerance of +/- .0001. This barrel is a 20-inch 450 Bushmaster match chambered with a 1:16 twist, hand-lapped sporter contour barrel. Regarding accuracy, Christensen Arms carbon-fiber barrels have the performance you can trust.

Safety Instruction Guide for BOLTACTION 450 BUSHMASTER CARBON FIBER BARREL

Introduction

Thank you for purchasing the BOLTACTION 450 BUSHMASTER CARBON FIBER BARREL from Christensen Arms. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this manual carefully before using the barrel.

General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith to avoid any potential hazards.
- Always handle firearms with care and follow all safety protocols related to firearms.
- Ensure that the barrel is compatible with your firearm model before installation.
- Always use appropriate ammunition as specified for the 450 Bushmaster cartridge.
- Regularly inspect the barrel for any signs of damage or wear.
- Store the barrel in a safe and secure location when not in use.
- Keep the barrel out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunctions.
 - Using incorrect ammunition can result in serious injury or damage.
 - Firing a damaged barrel may cause catastrophic failure.
- **Avoiding Hazards:**
 - Always verify that the firearm is unloaded before installation or maintenance.
 - Follow the manufacturer's instructions for installation and maintenance.
 - If you notice any unusual sounds or behavior while firing, cease use immediately and consult a professional.
- **Age Specific Warnings:**
 - This product is intended for adult users only. Keep it away from children.
 - Ensure that all users are familiar with firearm safety rules and regulations.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that you have the necessary tools and equipment for installation.
 - Remove the existing barrel from your Remington 700 firearm.
 - Carefully attach the BOLTACTION 450 BUSHMASTER CARBON FIBER BARREL, ensuring it is secured tightly.
 - Check that the barrel is properly aligned and fitted before use.
 - If unsure, seek assistance from a qualified gunsmith.
- **Usage:**
 - Always wear appropriate eye and ear protection while shooting.
 - Confirm that the area is safe and clear of bystanders before firing.
 - Fire only in designated shooting ranges or safe environments.
 - Clean the barrel regularly to maintain performance and safety.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm parts.
- If the barrel is damaged beyond use, do not attempt to repair it. Contact your local waste management

facility for proper disposal methods.

- Ensure that all parts are disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please contact the manufacturer or your local authorized dealer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others are of utmost importance. Enjoy your shooting experience with the BOLTACTION 450 BUSHMASTER CARBON FIBER BARREL.
