# Safety Instruction Guide for SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK

## Introduction

Thank you for choosing the SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK by Christensen Arms. This guide provides essential safety instructions and guidelines to ensure the safe use of your new gunstock. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the gunstock is compatible with your firearm model (Remington 700 Short Action).
- Always handle firearms and accessories with care to prevent accidents.
- Keep firearms unloaded when not in use and store them securely.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the stock is properly fitted to your action before use. Improper fitting may lead to accidents.
- Avoid using the stock if it shows signs of damage or wear.
- Keep the stock clean and free from debris to maintain optimal performance.
- Do not modify the stock in any way that could compromise its integrity or safety.
- Be cautious when using the firearm in adverse weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 Short Action by unscrewing the action screws.
- Carefully place the action into the new Sporter stock, ensuring that it aligns properly with the recoil lug.
- Secure the action using the provided screws, tightening them to the manufacturer's specifications.
- Check that the stock is properly fitted and that there is no movement.

### 2. Usage:

- Familiarize yourself with the stock's features, including the large cheek height and sling studs.
- Practice proper shooting techniques for stability and accuracy.
- Regularly inspect the stock for any signs of wear or damage before each use.
- If adjustments are needed, consult a qualified gunsmith to ensure safety and compliance.

## Disposal Instructions

- Dispose of the gunstock responsibly in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling it if possible, or follow local waste management guidelines for disposal.
- Do not dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or usage of the SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy your shooting experience with the SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK!
