

SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK - CHRISTENSEN ARMS SPORTER CF STOCK FOR SA REMINGTON 700 BLACK W/GRAY WEBBING

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Sporter carbon fiber composite gunstock gives quintessential hunting rifle feel. The Sporter stock features a large cheek (comb) height, Stainless Steel pillars, and sling studs. Each carbon fiber composite stock is made from a lightweight blend of carbon fiber and fiberglass. Stocks must be bedded at least at the recoil lug and also may need additional fitting for your action and safety. For short action, Rem 700 Footprint Only; sporter profile barrel channel.

Safety Instruction Guide for SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK

Introduction

Thank you for choosing the SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK by Christensen Arms. This guide provides essential safety instructions, installation guidance, and proper usage recommendations to ensure a safe and enjoyable experience with your new product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the stock is compatible with your firearm, specifically the Remington 700 short action.
- Regularly inspect the stock for any signs of wear or damage.
- Store the stock in a safe and secure location when not in use.
- Keep the stock away from children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Use appropriate tools when installing the stock to avoid injury.
- Ensure that the stock is properly bedded to prevent movement during use.
- Avoid using the stock in extreme weather conditions that could affect its integrity.
- Do not modify the stock in any way that could compromise its safety or performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools, including a screwdriver and bedding compound.
- Ensure your workspace is clean and free of distractions.

2. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm by unscrewing the action screws.
- Clean the action and recoil lug area to remove any debris.
- Apply bedding compound to the recoil lug area of the stock.
- Position the action into the new stock and secure it with the action screws.
- Allow the bedding compound to cure as per the manufacturer's instructions.

3. Usage

- Before using the firearm, check that the stock is securely attached.
- Adjust the cheek height as needed for a comfortable fit when aiming.
- Regularly check the tightness of the action screws during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate or dispose of the stock in regular household waste.

- Consider recycling options for the carbon fiber composite material if available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your product, please refer to the contact information provided by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your new SPORTER SHORT ACTION CARBON FIBER COMPOSITE STOCK!
