

# FFT SHORT ACTION STOCK - CHRISTENSEN ARMS FFT STOCK FOR SA SPORTER CONTOUR REMINGTON 700 GREEN/TAN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Utilizing an Aerospace monocoque shell, Flash Forged Technology eliminates unnecessary internal weight. The result is an FFT-designed stock that is up to a full pound lighter than traditionally manufactured carbon fiber composite rifle stocks – creating a more consistent shooting foundation while reducing user fatigue in the field. Flash Forged Technology is available exclusively on select Christensen Arms firearms. For short action Rem 700 footprint only; Heavy or Sporter contour profile barrel channel. Stock includes stainless steel pillars, and sling studs.

# FFT Short Action Stock Safety Instruction Guide

## Introduction

Thank you for choosing the FFT Short Action Stock by Christensen Arms. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new stock. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the stock is compatible with your firearm model (Remington 700 short action footprint).
- Always handle firearms responsibly and follow all safety procedures.
- Inspect the stock for any visible damage before installation.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Use only the recommended accessories and components with your stock.
- Regularly check for wear or damage to the stock and replace if necessary.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the stock (1.125 lbs).
- Ensure that the stock is securely mounted to the firearm before use.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Do not modify the stock in any way that may compromise its structural integrity.
- Use caution when cleaning and maintaining the stock to avoid damage.
- Always wear appropriate safety gear when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the FFT Short Action Stock with the action of the firearm.
- Securely attach the stock using the provided stainless steel pillars and sling studs.
- Doublecheck that all screws and components are tightened and secure.

### 2. Usage:

- Familiarize yourself with the stock's features and functionality.
- When aiming, ensure a proper grip and stance for stability.
- Regularly check the stock's condition after each use.
- Store the firearm with the stock in a safe and secure manner.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- If the stock is damaged beyond repair, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the FFT Short Action Stock, please refer to the manufacturer's contact details provided on their official website. Ensure you have the product model and any relevant information ready for faster assistance.

By following these guidelines, you can ensure the safe and effective use of your FFT Short Action Stock. Thank you for your attention to safety and for choosing Christensen Arms.
