

# **MESA 6.5 CREEDMOOR BARRELED ACTION - CHRISTENSEN ARMS MESA 6.5 CM BBL ACTION 24" 1-8 VARMINT CONTOUR TUNGSTEN**

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

The heart of the famous Christensen Mesa Long Range is now available as a foundation for your build. Compatible with short action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action and cerakoted in Tungsten.

# Safety Instruction Guide for MESA 6.5 Creedmoor Barreled Action

## Introduction

Thank you for choosing the MESA 6.5 Creedmoor Barreled Action from Christensen Arms. This product is designed for precision shooting and is compatible with Remington 700 footprint stocks. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms and related products with care. Treat every firearm as if it is loaded.
- Ensure you are familiar with local laws and regulations regarding firearm ownership and usage.
- Store the barreled action in a secure location, away from unauthorized users, particularly children.
- Regularly inspect the product for any signs of wear or damage. Do not use if any defects are found.
- Follow all manufacturer instructions and guidelines when using this product.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Do not modify the barreled action in any way that is not recommended by the manufacturer.
- Use only ammunition that is specified for the MESA 6.5 Creedmoor Barreled Action.
- Keep your fingers off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the firearm is unloaded and the safety is engaged.
2. Carefully remove the barreled action from its packaging.
3. Align the barreled action with the Remington 700 footprint stock.
4. Securely attach the barreled action to the stock using the appropriate screws and tools.
5. Check that all components are firmly in place and functioning properly.

### • Usage:

1. Load the firearm only when you are at the shooting range or in a safe environment.
2. Follow the standard operating procedures for firing a firearm.
3. After use, ensure the firearm is unloaded and clean the barreled action according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the barreled action is damaged beyond repair, check local laws for proper disposal methods of firearms and firearm components.
- Do not throw away the barreled action in regular household waste. Seek guidance from local authorities on safe disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the MESA 6.5 Creedmoor Barreled Action, please refer to the manufacturer's support resources. Ensure you have the product details available when seeking assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your MESA 6.5 Creedmoor Barreled Action. Always prioritize safety and responsibility when handling firearms.
