

# **MESA 300 WINCHESTER MAGNUM BARRELED ACTION - CHRISTENSEN ARMS MESA 300 WINMAG BBL ACTION 24" 1-10 SPORTER CONTOUR TUNGSTEN**

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

The heart of the famous Christensen Mesa is now available as a foundation for your build. Compatible with long action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action, chambered in 300 Winchester Magnum with a 24-inch stainless steel barrel with a 1:10 twist cerakoted in Tungsten.

# MESA 300 Winchester Magnum Barreled Action Safety Instructions

## Introduction

Thank you for choosing the MESA 300 Winchester Magnum Barreled Action from Christensen Arms. This product is designed for precision and performance. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the product is used in accordance with local laws and regulations.
- Keep the barreled action out of reach of children and unauthorized users.
- Always treat every firearm as if it is loaded.
- Use appropriate eye and ear protection when using this product.
- Regularly inspect the barreled action for any signs of wear or damage before use.
- Store the barreled action in a secure and safe location when not in use.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the barreled action before attempting to use it.
- Do not modify the barreled action in any way that could compromise its safety or performance.
- Always check the chamber to confirm it is empty before cleaning or storing.
- Use only the specified cartridge (300 Winchester Magnum) with this barreled action to prevent malfunctions.
- Avoid using the barreled action in wet or humid conditions to prevent corrosion.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

- Ensure you have the correct tools and equipment before beginning installation.
- Verify that the barreled action is compatible with your stock. It is designed for long action Rem 700 footprint stocks.
- Follow these steps for installation:
  1. Place the barreled action in the stock, ensuring it fits snugly.
  2. Secure the action screws to fasten the barreled action to the stock.
  3. Check for proper alignment and fit before tightening screws fully.
  4. If necessary, make slight modifications to the stock for a better fit, but avoid excessive alterations.

### Usage

- Before firing, ensure the firearm is pointed in a safe direction.
- Load the firearm only when you are ready to shoot.
- Be aware of the target and what is beyond it.
- After firing, always check the chamber to confirm that it is empty before handling or cleaning.
- Regularly clean and maintain the barreled action according to manufacturer recommendations to ensure optimal performance.

## Disposal Instructions

- Dispose of any unused cartridges and packaging materials in accordance with local regulations.
- When disposing of the barreled action, follow your local laws regarding firearm disposal.
- Consider contacting a licensed firearms dealer for assistance with the disposal process.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of your MESA 300 Winchester Magnum Barreled Action, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MESA 300 Winchester Magnum Barreled Action. Always prioritize safety and responsibility when handling firearms.
