# Safety Instruction Guide for MESA 300 PRC Barreled Action

## Introduction

Thank you for choosing the MESA 300 PRC Barreled Action by Christensen Arms. This product is designed for precision and performance in longrange shooting. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage instructions, and disposal guidelines.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms before using this product.
- Always treat the barreled action as if it is loaded, even when you believe it is not.
- Store this product in a secure location, away from unauthorized users, especially children.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect the barreled action for any signs of wear or damage. If you notice any issues, do not use the product until it has been inspected by a qualified gunsmith.
- Use only compatible parts and accessories as specified by the manufacturer.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- Only use ammunition that is specified for the MESA 300 PRC Barreled Action.
- Be aware of your surroundings when handling and using firearms. Ensure that you have a clear and safe shooting area.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- If you experience a misfire, keep the firearm pointed in a safe direction and wait for at least 30 seconds before attempting to unload.
- Ensure that the firearm is completely unloaded before cleaning, storing, or transporting it.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the correct tools and equipment for installation.
- Follow the manufacturer's instructions for attaching the barreled action to a compatible long action Rem 700 footprint stock.
- Make any necessary adjustments to ensure a proper fit. Be aware that some stocks may require slight modification.

### 2. Usage:

- Before firing, check that the safety mechanism is engaged.
- Load the firearm only when you are in a safe shooting position.
- After firing, always check the chamber to ensure it is empty before handling or storing the firearm.

### 3. Maintenance:

- Regularly clean the barreled action and barrel according to the manufacturer's guidelines.
- Store the firearm in a cool, dry place to prevent rust and corrosion.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the barreled action or any firearm parts, follow local laws regarding hazardous materials and firearms disposal.
- Consider contacting a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact their customer service. Ensure that you have the product details ready for efficient support.

By following these guidelines, you can help ensure your safety and the safety of others while using the MESA 300 PRC Barreled Action. Thank you for your attention to these important safety measures.
