

# **MESA 6.5 CREEDMOOR BARRELED ACTION - CHRISTENSEN ARMS MESA 6.5 CM BBL ACTION 22" 1-8 SPORTER CONTOUR TUNGSTEN**

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

The heart of the famous Christensen Mesa FFT is now available as a foundation for your build. Compatible with short action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action, chambered in 6.5 Creedmoor, with a 22-inch stainless steel barrel with a 1:8 twist cerakoted in Tungsten.

# Consumer Safety Instruction Guide for MESA 6.5 CREEDMOOR BARRELED ACTION

## Introduction

Thank you for choosing the MESA 6.5 Creedmoor Barreled Action by Christensen Arms. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and handling them safely.
- Always treat the barreled action as if it is loaded, even if you believe it is not.
- Store the barreled action in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barreled action for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure that you are in a safe location when handling the product.

## Specific Safety Precautions for Use

- Always use appropriate eye and ear protection when using the barreled action.
- Ensure the area is clear of bystanders before firing.
- Use only ammunition that is specified for the 6.5 Creedmoor caliber.
- Do not modify or alter the barreled action in any way that could affect its performance or safety.
- If you experience any malfunctions, cease use immediately and seek assistance from a qualified gunsmith.
- Make sure to follow the manufacturer's guidelines for maintenance and cleaning to ensure optimal performance.

## Instructions for Installation and Usage

### Installation

- Ensure you have the necessary tools and a clean, welllit workspace before beginning installation.
- Confirm that the barreled action is unloaded and safe before installation.
- Attach the barreled action to a compatible short action Rem 700 footprint stock following these steps:
  1. Align the barreled action with the stock.
  2. Secure the action screws tightly but do not overtighten, as this may damage the components.
  3. Verify that the action is firmly seated in the stock.

### Usage

- Before firing, conduct a safety check:
  1. Ensure the safety is engaged.
  2. Verify that the chamber is clear.
  3. Load the magazine according to the manufacturer's instructions.
- When ready to fire:
  1. Point the muzzle in a safe direction.
  2. Disengage the safety.
  3. Aim carefully and squeeze the trigger gently.
- After firing, engage the safety and check the chamber before handling or storing the barreled action.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the barreled action, follow local laws regarding firearms disposal.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MESA 6.5 Creedmoor Barreled Action, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your MESA 6.5 Creedmoor Barreled Action. Always prioritize safety and responsible handling. Thank you for your attention to these important safety practices.
