The heart of the famous Christensen Mesa is now available as a foundation for your build. Compatible with short action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action, chambered in 308 Winchester, with a 22-inch stainless steel barrel with a 1:10 twist cerakoted in Tungsten.

# Safety Instruction Guide for MESA 308 Winchester Barreled Action

## Introduction

Thank you for choosing the MESA 308 Winchester Barreled Action by Christensen Arms. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before handling, installing, or using the barreled action.

## General Safety Guidelines

- Ensure you are familiar with all local laws and regulations regarding firearm ownership and use.
- Always treat the barreled action as if it is loaded, even when you believe it to be empty.
- Keep the muzzle pointed in a safe direction at all times.
- Store the barreled action securely and out of reach of children and unauthorized users.
- Use only the appropriate ammunition as specified by the manufacturer.
- Regularly inspect the barreled action for signs of wear or damage before use.
- Do not modify the barreled action or use it in ways not intended by the manufacturer.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area around you is clear of obstructions and people before firing.
- Be aware of your target and what lies beyond it.
- Do not use the barreled action if you are under the influence of drugs or alcohol.
- If you experience any malfunction while using the barreled action, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate screws.
- Align the barreled action with your compatible Rem 700 footprint stock.
- Securely attach the barreled action to the stock, following the manufacturer's torque specifications.
- Check for proper fit and function before proceeding to use.

### 2. Usage

- Load the firearm only when you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- After firing, unload the firearm immediately and ensure it is clear of any ammunition.
- Clean and maintain the barreled action regularly according to the manufacturer's guidelines.

## Disposal Instructions

- Dispose of any unused or expired ammunition according to local laws and regulations.
- If you need to dispose of the barreled action, contact a licensed firearms dealer or local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's website or customer support resources. Always ensure you have the latest information regarding product safety and compliance.

Thank you for prioritizing safety and responsible use of your MESA 308 Winchester Barreled Action. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
