Safety Instruction Guide for SHORT ACTION BOTTOM METAL FLOOR PLATE ASSEMBLY

Introduction

Thank you for choosing the SHORT ACTION BOTTOM METAL FLOOR PLATE ASSEMBLY by CHRISTENSEN ARMS. This product is designed for compatibility with short action Christensen and Rem 700 Footprint stocks. It features a unique aesthetic made from 6061 aircraft grade aluminum and is finished with a hard coat type III. This guide provides essential safety information and instructions for the safe use and installation of this product, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the assembly is securely attached to your firearm before use.
- Avoid using the product if it shows any signs of damage or if it has been modified in any way.
- Do not exceed the manufacturer's specifications regarding the weight or type of ammunition used with the firearm.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.
- Use appropriate personal protective equipment (PPE) when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing bottom metal assembly from your firearm, if applicable.
- Align the SHORT ACTION BOTTOM METAL FLOOR PLATE ASSEMBLY with the stock.
- Securely attach the assembly using the provided screws, ensuring they are tightened adequately.
- Doublecheck that the assembly is properly fitted and does not move or rattle.

2. Usage:

- Always verify that the firearm is in a safe condition before loading.
- Load ammunition carefully, ensuring that it is compatible with your firearm.
- Practice safe handling techniques at all times.
- After use, ensure that the firearm is cleaned and maintained according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product reaches the end of its life cycle, dispose of it responsibly. Consider recycling the aluminum components where facilities exist.
- Do not dispose of the product in household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product information, please contact your local retailer or refer to the manufacturer's official website for further guidance.

By following these safety instructions and guidelines, you can ensure safe and effective use of your SHORT ACTION BOTTOM METAL FLOOR PLATE ASSEMBLY. Thank you for prioritizing safety in your firearm practices.
