Safety Instruction Guide for FFT Long Action CF Bottom Metal Floor Plate Assembly

Introduction

Thank you for choosing the FFT Long Action CF Bottom Metal Floor Plate Assembly from Christensen Arms. This product is designed to enhance your firearm build while providing weight savings through its carbon fiber construction. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect. Ensure the firearm is unloaded before installation or maintenance.
- Use this product only with compatible Long action Christensen Arms and Rem 700 footprint stocks.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is in a safe and secure environment before installation.
- Avoid using the product in extreme temperatures or conditions that may affect its performance.
- Do not modify or alter the product in any way, as this may compromise its safety and functionality.
- Wear appropriate safety gear, such as eye protection, when installing or using the product.
- If you experience any issues during installation or use, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and components for installation.
- Read the manufacturer's instructions for your specific stock model.

2. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing floor plate from the stock following the manufacturer's instructions.
- Align the FFT Long Action CF Bottom Metal Floor Plate Assembly with the stock.
- Secure the assembly using the appropriate screws, ensuring a tight fit without overtightening.
- Confirm that the assembly is securely attached before proceeding.

3. Usage:

- After installation, check the functionality of the floor plate by cycling the action of the firearm.
- Ensure that magazines fit properly and function as intended.
- Regularly clean and maintain the product to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains materials that are hazardous.

- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FFT Long Action CF Bottom Metal Floor Plate Assembly, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for reference.

Thank you for prioritizing safety and compliance while using this product. Enjoy your enhanced firearm experience!
