Safety Instruction Guide for SHORT ACTION BOTTOM METAL ASSEMBLY WITH INTERNAL MAGAZINE

Introduction

Thank you for purchasing the SHORT ACTION BOTTOM METAL ASSEMBLY WITH INTERNAL MAGAZINE by Christensen Arms. This guide provides essential safety instructions to ensure the safe and proper use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and pets to prevent accidental use or injury.
- Always wear appropriate safety gear, including eye protection, when handling or installing this product.
- Regularly check the product for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and firearm accessories.

Specific Safety Precautions for Use

- Handle the product with care to avoid injury.
- Always ensure that the firearm is unloaded before installing or making adjustments to the bottom metal assembly.
- Avoid exposing the product to extreme temperatures or moisture to maintain its integrity.
- Be cautious of sharp edges during installation; use gloves if necessary.
- Do not attempt to modify the bottom metal assembly or its components, as this may result in unsafe conditions.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, Allen wrench).

2. Remove Existing Bottom Metal:

- Carefully detach the existing bottom metal assembly from the firearm according to the manufacturer's guidelines.

3. Install the New Bottom Metal Assembly:

- Align the new SHORT ACTION BOTTOM METAL ASSEMBLY with the existing holes in the firearm.
- Securely fasten the assembly using the appropriate screws, ensuring it is tightly fitted.

4. Check Functionality:

- After installation, check the internal magazine spring and follower for proper alignment and function.
- Test the hinged or carbon fiber FFT floor plate to ensure it operates smoothly.

5. Final Inspection:

- Conduct a thorough inspection of the installation to ensure everything is secure and functioning correctly.

Usage Instructions

- Load the internal magazine according to the manufacturer's specifications.
- Always check the functionality of the magazine before use.
- Follow all safety protocols when using the firearm equipped with this bottom metal assembly.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the product is no longer in use, it should be disposed of in a manner that prevents any potential harm to the environment or public safety.
- For disposal of the product itself, follow local guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries or support regarding the SHORT ACTION BOTTOM METAL ASSEMBLY, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of the SHORT ACTION BOTTOM METAL ASSEMBLY. Please keep this guide for future reference and adhere to all safety recommendations.
