

AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 12.7" HANDGUARD M-LOK FOR AR-308 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards

Introduction

Thank you for choosing the AR 308 M5 ATLAS RONE Handguard. This guide provides essential safety instructions and information to ensure the safe use and installation of your handguard. Please read this document carefully before use to understand the safety precautions and installation procedures.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during handling and installation. Follow all instructions to avoid risks.
- **Enhanced Recalls:** Stay informed about potential recalls. If notified, follow the instructions provided for safe returns or remedies.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of young individuals.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the manufacturer's contact information provided with your purchase.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the handguard with care. Avoid dropping or striking it against hard surfaces.
- **Installation Safety:** Ensure that you have the correct tools and follow the installation instructions carefully. Incomplete or improper installation may lead to accidents.
- **Compatibility:** Verify compatibility with your AR308 upper receiver and barrel before installation. This handguard is not compatible with M5E1 Enhanced Upper Receivers.
- **Weight Limitations:** Ensure that your build does not exceed the weight limits specified for the handguard.
- **Inspection:** Regularly inspect the handguard for signs of wear or damage. If any issues are detected, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a standard armors wrench (not included).
- Ensure your workspace is clean and free from obstructions.

2. Installation Steps:

- Remove the existing handguard from your AR308 upper receiver.
- Align the ATLAS RONE handguard with the upper receiver.
- Use the included mounting hardware to secure the handguard in place, following the ATLAS attachment system instructions.
- Ensure that all components are tightened to the manufacturer's specifications to avoid any movement or instability.

3. PostInstallation Check:

- After installation, check that the handguard is securely attached and does not move.
- Test the functionality of the handguard by ensuring that all accessories and attachments fit correctly.

4. **Usage:**

- Use the handguard as intended for your shooting activities.
- Always comply with local laws and regulations when using firearms.

Disposal Instructions

- **Environmental Considerations:** Dispose of the handguard and any packaging materials in accordance with local regulations to minimize environmental impact.
- **Recycling:** If possible, recycle aluminum parts at designated recycling facilities.

Contact Information for Further Support

For any questions or concerns regarding the AR 308 M5 ATLAS RONE Handguard, please refer to the contact information provided with your purchase or visit the manufacturer's website for additional resources.

Thank you for choosing Aero Precision. We hope you enjoy your new handguard while ensuring safe and responsible usage.
