

# SC-ARC BIPOD CLAMP - REALLY RIGHT STUFF SC-ARC BIPOD CLAMP BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The new and Improved quick release R-Lock Clamp The SC-ARC has a 17S footprint allows for quick release from either Picatinny rails or ARCA/RRS Dovetail rails. The R-Lock system adds unique safety-stop features which are built into both a mounting rail (sold separate) and the quick-release clamp. The advantage of the system is the user has multiple "hard-stop" positions along the rail while retaining smooth edges and corners for maximum ergonomics. R-Lock is backwards compatible with non R-Lock rails. In one quick action, the clamp can go from closed to fully open, allowing easy top-loading of RRS Dovetail and acra-swiss compatible quick release plates. Width - 2.94"/ 74.6mm Height - 0.7"/ 17.4mm Weight - 3.8oz/ 107g

## Attributes

- Name: [REALLY RIGHT STUFF SC-ARC BIPOD CLAMP BLACK](#)

# SCARC BIPOD CLAMP SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SCARC Bipod Clamp by Really Right Stuff. This product is designed to enhance your shooting experience by providing a secure and reliable attachment to your equipment. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the clamp and mounting rail before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all instructions provided in this manual to avoid potential hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the maximum weight capacity of the clamp. Refer to the product specifications for details.
- **Secure Attachment:** Ensure that the clamp is securely attached to the Picatinny or ARCA/RRS Dovetail rail before use.
- **Check Release Mechanism:** Regularly test the quickrelease mechanism to ensure it functions properly.
- **Use in Safe Environment:** Avoid using the clamp in wet or slippery conditions that may lead to accidents.
- **Avoid Modifications:** Do not modify the clamp or its components, as this may compromise safety and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mounting rail (sold separately) you will be using.
- Align the SCARC Bipod Clamp with the rail, ensuring that the clamp is positioned correctly.
- Securely tighten the clamp onto the rail using the RLock system, ensuring that it is locked in place.

### 2. Usage:

- To open the clamp, perform a quick action to release it from the closed position.
- Once opened, attach your RRS Dovetail or acraswiss compatible quick release plate.
- Ensure that the plate is securely locked into place before using your equipment.
- When finished, remove the plate and close the clamp securely.

### 3. Maintenance:

- Regularly clean the clamp and mounting rail to prevent dirt and debris from affecting performance.
- Inspect all components for wear and tear; replace any damaged parts immediately.

## Disposal Instructions

- Dispose of the SCARC Bipod Clamp in accordance with local regulations regarding electronic and nonfood product waste.

- Do not dispose of the product in household waste. Check for recycling programs in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of the SCARC Bipod Clamp. Thank you for prioritizing safety and compliance with the EU GPSR. Enjoy your shooting experience!
