

# GEN 2 CANT AND LOC (CAL) BIPODS - ACCU-SHOT BT65-NC GEN2 CANT AND LOC (CAL) ATLAS BIPOD BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

ATLAS BIPOD GEN 2 CANT AND LOC (CAL) BIPODS The CAL (Cant And Loc) Atlas Bipods were developed for shooters that do not desire the Panning feature. It is comprised of 6061-T6 aluminum that is Mil-Spec Type III hard coat anodized and have heat treated stainless steel components. B&T chose to support a legend in the shooting sports by using the original KMW "Pod-Loc™". With the CAL bipod mounted to your rifle, you will be able to lock and un-lock the canting motion by rotating the Pod-Loc™ lever. Turn clockwise to lock and counter clockwise to un-lock. The Pod-Loc™ lever position can be adjusted for positioning by pulling the lever directly away from the body of the CAL and rotating to desired position. This positioning can be repeated until optimal position is achieved. Available in black only. FEATURES Height Range: 4.75 - 9.0" approximately Cant: 15 degrees +/- 5 leg positions: 0, 45, 90, 135 and 180 degrees Non-Rotating Legs: outer leg does not rotate around inner leg Larger, stronger inner legs Weight: 12.87 ounces Footprint: 9.75 - 13"

# Safety Instruction Guide for GEN 2 CANT AND LOC (CAL) BIPODS ACCUSHOT BT65NC

## Introduction

Thank you for choosing the GEN 2 CANT AND LOC (CAL) BIPODS ACCUSHOT BT65NC. This guide provides essential safety instructions and information to ensure the safe use of your bipod. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure the bipod is securely attached to your rifle before use.
- Regularly inspect the bipod for any damage or wear.
- Do not exceed the manufacturer's weight limit.
- Keep the bipod clean and free of debris to ensure proper functionality.
- Avoid using the bipod in adverse weather conditions that may compromise its integrity.
- Store the bipod in a dry place when not in use.

## Specific Safety Precautions for Use

- Ensure that the PodLoc™ lever is locked before shooting to prevent unintended movement.
- Use the bipod on stable, level ground to maintain stability.
- Be cautious when adjusting the canting motion; ensure your hands are clear of moving parts.
- Do not attempt to modify or repair the bipod yourself. Contact a qualified professional for repairs.
- Always use the bipod in accordance with your firearm's safety guidelines.

## Instructions for Installation and Usage

### Installation

#### 1. Attach the Bipod:

- Align the bipod's mounting mechanism with the attachment point on your rifle.
- Securely fasten the bipod to the rifle according to the manufacturer's instructions.

#### 2. Adjust the PodLoc™ Lever:

- Pull the PodLoc™ lever away from the body of the CAL.
- Rotate to the desired position and release to lock in place.

### Usage

#### 1. Adjust Height:

- Extend the bipod legs to the desired height (4.75 – 9.0 inches).
- Ensure that the legs are locked in place before use.

#### 2. Set the Cant:

- Rotate the PodLoc™ lever clockwise to lock the canting motion.
- To unlock, turn the lever counterclockwise.

#### 3. Leg Positioning:

- Adjust the leg positions to 0, 45, 90, 135, or 180 degrees as needed for your shooting position.

#### **4. Stability Check:**

- Before taking a shot, ensure the bipod is stable and secure.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or additional support, please contact the manufacturer's customer service. Ensure you have your product details and any relevant information ready for assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your GEN 2 CANT AND LOC (CAL) BIPODS ACCUSHOT BT65NC. Always prioritize safety and responsible usage. Thank you for your attention to these guidelines.
