# Safety Instruction Guide for Kestrel KST1000 Shot Timer

## Introduction

Thank you for choosing the Kestrel KST1000 Shot Timer. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before using the timer.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a shot timer.
- Keep the timer out of reach of children and vulnerable individuals.
- Regularly inspect the timer for any signs of damage or wear.
- Do not expose the timer to extreme temperatures, moisture, or direct sunlight for extended periods.
- If the timer shows any signs of malfunction, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Use only the recommended battery type.
  - Do not mix old and new batteries.
  - Remove the battery if the timer will not be used for an extended period.
- **Bluetooth Connectivity:**
  - Ensure your device is compatible with Bluetooth before attempting to connect.
  - Keep the timer away from other electronic devices that may cause interference.
- **Waterproof and Dustproof Features:**
  - While the timer is designed to be waterproof and dustproof, avoid submerging it in water or exposing it to heavy dust for prolonged periods.
- **Drop Safety:**
  - Although the timer is drop tested to MILSTD810G standards, avoid dropping it whenever possible to maintain its functionality.

## Instructions for Installation and Usage

### 1. Setting Up the Timer:

- Remove the timer from the packaging.
- Insert the recommended battery into the timer, ensuring correct polarity.
- Power on the timer by pressing the designated button.

### 2. Using the Timer:

- Select your desired setting preset using the interface.
- Position the timer at a comfortable distance, either at your hip or in your hand.
- Ensure the timer is securely held during use to prevent dropping.
- Activate the timer when ready to start timing shots.

### 3. Bluetooth Connection:

- Enable Bluetooth on your compatible device.
- Follow the onscreen instructions to pair the timer with your device.
- Ensure the connection is stable before starting your shooting session.

#### 4. Care and Maintenance:

- Wipe the timer with a soft, dry cloth to keep it clean.
- Avoid using harsh chemicals or solvents for cleaning.
- Store the timer in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the timer and its components in accordance with local regulations.
- Do not dispose of the timer in regular household waste.
- Check for any recycling programs in your area that accept electronic devices.

## Contact Information for Further Support

For any safety inquiries or support regarding the Kestrel KST1000 Shot Timer, please refer to the manufacturer's website or contact your local distributor. Ensure you have the product details ready for a quicker response.

By following these guidelines, you can ensure the safe and effective use of your Kestrel KST1000 Shot Timer. Thank you for your attention to safety, and enjoy your shooting experience!
