

# AR-15 SIDE FOLDING TRAPDOOR STOCK - MIDWEST INDUSTRIES

## AR-15 BRN-180 SIDE-FOLDING TRAPDOOR STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Fits firearms with 1913 rail Heavy-duty side-folding mechanism constructed from 4140 heat treated steel Full-length locking lug for maximum strength Solid positive lock up in both positions Steel clamp with large surface engagement Can be configured to right- or left-folding Steel parts are mag phosphate finished Length of pull - 13.75" Adds 0.75" to the length of the firearm in the folded position Complete assembly weight: 18.2oz. Hinges are supplied to Manticore Arms by Midwest Industries, made of steel, and weigh 6.9 ounces. The hinge can be set up to allow the stock to fold left or right. Hardware and allen wrenches for installation are included. The Trapdoor Stock is designed with original AR-180 styling and the additional bonus of ample storage space within. Overall length of pull on typical AR-15 style rifles with picatinny mounting is 13.75", similar to that on the original AR-180 rifle. Weight of the polymer stock itself is 11.3 ounces. Made from a heavily fiber reinforced polymer the stock buttplate is easily hinged down by pressing a spring loaded plunger on top with a rifle bullet point or small tool. With 8" of clear length from front to back internally a full size AR-15 cleaning kit with three piece steel cleaning rod will easily fit inside, and the interior width of 1.050" allows 1.0" diameter oil bottles to fit. The buttplate measures 1.325" wide by 4.5" high and gives plenty of surface for soft felt recoil. (Please note the stock is not considered watertight, but you can easily put your supplies in a plastic baggie to keep them dry in event of a solid dunking!) End user is responsible for any ATF requirements\* It is the responsibility of the purchaser to ensure that possession and use of this item is in compliance with all relevant federal, state, and municipal laws or statutes.

### Attributes

# Safety Instruction Guide for AR15 Side Folding Trapdoor Stock

## Introduction

Thank you for choosing the AR15 Side Folding Trapdoor Stock by Midwest Industries. This product is designed to enhance the functionality of your firearm while providing a secure and comfortable shooting experience. Please read this safety instruction guide carefully to ensure safe and proper use of this product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition separately, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with local laws and regulations regarding firearm ownership and modifications.
- Regularly inspect your firearm and accessories for wear or damage before use.
- If you notice any abnormalities or malfunctions, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure the stock is securely attached to the firearm before use.
- Do not exceed the manufacturer's recommended length of pull; the stock is designed for a length of pull of 13.75 inches.
- Avoid using the stock in wet or humid conditions, as it is not considered watertight.
- Do not overload the storage compartment with excessive items that may interfere with the functionality of the stock.
- Always ensure the locking mechanism is fully engaged when the stock is in either the folded or extended position.
- Be cautious when pressing the springloaded plunger to access the storage compartment; ensure your fingers are clear of the hinge area.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather all necessary tools, including the provided hardware and allen wrenches.
2. **Attachment:** Align the stock with the 1913 rail on your AR15.
3. **Secure the Stock:** Using the provided hardware, securely attach the stock to the rail, ensuring that all screws are tightened to the manufacturer's specifications.
4. **Check Functionality:** Ensure that the stock can fold left or right as desired and that the locking mechanism functions properly.

### Usage

- To extend the stock, pull it out until it locks into place.
- To fold the stock, press the springloaded plunger and gently fold the stock to the desired side.
- Always check that the stock is locked in place before firing the firearm.

## Disposal Instructions

When disposing of this product, please follow local regulations for disposal of polymer materials and metal components. Do not dispose of in regular household waste. Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Side Folding Trapdoor Stock, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Side Folding Trapdoor Stock. Thank you for your attention to safety.
