Safety Instruction Guide for the Threaded Barrel for Glock® 48

Introduction

Thank you for choosing the True Precision Threaded Barrel for Glock® 48. This guide provides essential safety information to ensure the safe use and installation of your new barrel. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the threaded barrel in a secure location away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Only use the barrel with compatible Glock® 48 models.
- Be aware of local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or removing the threaded barrel.
- Do not modify the threaded barrel or use it in a manner not intended by the manufacturer.
- Only use ammunition that is compatible with the Glock® 48 and the threaded barrel.
- Be cautious of the potential for increased noise when using a suppressor with the threaded barrel.
- Avoid using lead ammunition if not specified, as it may lead to excessive fouling.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a wrench (if required).

2. Installation:

- Remove the factory barrel from the Glock® 48 by following the manufacturer's instructions.
- Align the threaded barrel with the slide of the Glock® 48.
- Gently slide the threaded barrel into place until it is fully seated.
- If applicable, attach the thread protector securely to the threads of the barrel.

3. PostInstallation Check:

- Ensure that the barrel is properly installed and that there is no movement.
- Conduct a function check of the firearm to ensure proper cycling.

4. Usage:

- Load the firearm with compatible ammunition only.
- Fire the firearm in a safe and controlled environment.
- After use, clean the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the threaded barrel responsibly, following local regulations for firearm accessories.
- Do not discard in regular trash; check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's customer support resources.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your new product responsibly.
