

# THREADED BARREL FOR SIG SAUER P320 COMPACT - TRUE PRECISION THREADED BARREL FOR SIG SAUER P320 STAINLESS STEEL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Fits the Sig P320 Compact, X-Carry (minor fitting may be required on some X-Carry models), and M18 (will not fit the X-Compact). Easy to install drop-in design. Threaded barrel length is 4.64" from breechface to muzzle (without thread protector attached). Retains Loaded Chamber Indicator cut for M18 to allow interchangeability among P320 variants. Advanced proprietary broach cut design specifically engineered for increased accuracy potential. Broach cut 6 groove rifling allows for all ammo types to be used safely, including cast lead. 100% Designed and manufactured in the USA with USA sourced certified 416R Stainless Steel. 9mm 1/10RH twist rifling. Special 11 degree competition style target crown for non-threaded versions or 1/2x28 threads with included thread protector on threaded versions. Threaded versions include Viton high heat integral O-ring lock thread protector. SAAMI spec chamber. Improved overall fit from OEM with added chamfers, improved radius cuts, and other additions for a better than OEM barrel. Assorted specialty coatings and finishes to choose from. Light fitting may be required for some X-Carry models.

# Safety Instruction Guide for THREADED BARREL FOR SIG SAUER P320 COMPACT

## Introduction

Thank you for choosing the Threaded Barrel for your Sig Sauer P320 Compact. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the barrel is suitable for your specific model of Sig Sauer P320. The barrel is compatible with the P320 Compact, XCarry (minor fitting may be required for some models), and M18 (not compatible with XCompact).
- Always handle firearms with care and follow all safety protocols to prevent accidents.
- Check for any visible damage to the barrel before installation. Do not use if damaged.
- Keep the barrel out of reach of children and unauthorized users.
- Store the barrel in a secure location when not in use.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the firearm is unloaded before attempting to install or remove the barrel.
  - Avoid applying excessive force during installation to prevent damage to the firearm or barrel.
- **Usage Precautions:**
  - Always use appropriate ammunition compatible with the 9 mm Luger cartridge.
  - Monitor the barrel and firearm for any signs of wear or malfunction during use.
  - If you experience any unusual performance, cease use immediately and consult a qualified gunsmith.
- **Cleaning and Maintenance:**
  - Regularly clean the barrel to maintain performance and safety.
  - Follow the manufacturer's recommendations for cleaning products and methods.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Sig Sauer P320 by following the manufacturer's instructions.
- Align the new threaded barrel with the slide and gently insert it into place.
- Ensure the barrel is seated properly and secure any locking mechanisms as per the firearm's manual.
- If applicable, attach the included thread protector to the threaded end of the barrel.

### 2. Usage:

- Load the firearm with compatible 9 mm Luger ammunition only.
- Conduct a function check to ensure proper operation of the firearm with the new barrel.
- When firing, maintain a proper grip and stance to manage recoil effectively.
- If using suppressors or muzzle devices, ensure they are compatible with the threaded barrel specifications.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding metal recycling and hazardous materials.
- If the barrel is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for safe disposal.

## **Contact Information for Further Support**

For any inquiries or support regarding the Threaded Barrel for Sig Sauer P320, please refer to the manufacturer's website or contact your local authorized dealer.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your new threaded barrel. Always prioritize safety and consult professionals if you have any doubts or questions regarding installation or use. Thank you for your attention to these important safety guidelines.
