Safety Instruction Guide for AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320

Introduction

Thank you for choosing the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320. This product is designed for use with the Sig P320 standard Compact, XCarry, and M18 pistols. It is essential to read and understand this safety instruction guide to ensure safe and effective usage of the product.

General Safety Guidelines

- **Product Safety:** Always ensure the product is used as intended. This slide is designed specifically for compatible Sig Sauer P320 models. Do not attempt to use it with incompatible models such as the XCompact pistol.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety regulations. Verify product information and safety standards.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is not a toy and should only be handled by responsible adults.
- **EU Contact Point:** For any safety inquiries, look for the EU-based contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the slide is compatible with your specific Sig Sauer P320 model before installation.
- **Handling:** Always handle the slide with care. Avoid dropping or mishandling the product.
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to malfunction or injury.
- **Use of Optics:** If using optics, ensure they are securely mounted and compatible with the slide.
- **Inspection:** Regularly inspect the slide for any signs of wear or damage. Do not use if damaged.
- **Shooting Environment:** Always use the product in a safe shooting environment, following all local laws and regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including the correct screws for optics.

2. Installation:

- Remove the existing slide from your Sig Sauer P320.
- Align the AXIOM SLIDE with the frame of the pistol.
- Secure the slide in place using the appropriate screws. Ensure all screws are tightened to prevent movement during use.
- If using optics, attach the anodized optic cover plate if optics are not installed.

3. Usage:

- After installation, perform a function check to ensure the slide operates correctly.
- Use the firearm in accordance with the manufacturer's guidelines for safe shooting practices.
- Regularly clean and maintain the slide to ensure optimal performance.

Disposal Instructions

- When disposing of the AXIOM SLIDE, follow local regulations for the disposal of firearm components.
- Ensure that any metal parts are recycled appropriately.
- Do not dispose of the slide in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure you have the latest information regarding safety and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AXIOM SLIDE. Thank you for your attention to these important safety guidelines.
