

# ARIC INTERNAL CARRIERS FOR AR-15 - LAW TACTICAL ARIC-C INTERNAL CARRIER FOR UNSUPRESSED AR-15

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

LAW TACTICAL LLC ARIC INTERNAL CARRIERS FOR AR-15 FIRE FOLDED! The Law Tactical ARIC (AR Internal Carrier) is a drop in conversion for AR15-type direct impingement firearms that replaces the traditional Bolt Carrier Group, Recoil Spring and Buffer. Firearms equipped with ARIC and Law Tactical Folding Stock Adapters can be fired repeatedly in both the folded and unfolded position, expanding the mission profile of the AR15. NO TOOLS REQUIRED! Once installed, ARIC does not require any tools for removal, reinstallation, cleaning, maintenance or conversion. Each component can be field stripped, inspected or replaced without tools. Maintaining the simplicity and efficiency of the AR system. 100% BACKWARD COMPATIBILITY! ARs can be converted between ARIC and standard BCGs and recoil components without tools, maintaining compatibility with standard AR15 components, enhancing the ARs capabilities while maintaining interoperability. THERE ARE TWO VERSIONS OF ARIC TO ACCOMMODATE VARIOUS SYSTEMS: ARIC-C: Unsuppressed Usage: 5.56mm NATO, .223 Remington. ARIC-M: Suppressed Usage : 5.56mm NATO, .223 Remington, Unsuppressed Usage: 5.56 Nato. See ARIC Version Selection Guide for more information. For all technical questions please contact Law Tactical directly at: 267-209-0529, or [sales@lawtactical.com](mailto:sales@lawtactical.com).

# Safety Instruction Guide for ARIC Internal Carriers for AR15

## Introduction

Thank you for choosing the Law Tactical ARIC Internal Carrier for your AR15 firearm. This guide provides essential safety instructions to ensure the safe and effective use of the ARIC Internal Carrier. It is crucial to follow these guidelines to minimize risks and ensure compliance with EU safety regulations.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using firearms.
- Ensure that you are familiar with local laws and regulations regarding firearm ownership and use.
- Regularly inspect your firearm and its components for wear and damage before use.
- Avoid using the firearm under the influence of alcohol, drugs, or any substances that may impair your judgment.

## Specific Safety Precautions for Use

- Only use the ARIC Internal Carrier with compatible AR15 type direct impingement firearms.
- Do not attempt to modify or alter the ARIC Internal Carrier or any of its components.
- Ensure that the firearm is in the "safe" position before installation or removal of the ARIC Internal Carrier.
- When firing in the folded position, be aware of potential obstructions that may affect the operation of the firearm.
- Do not fire the firearm if it appears to be malfunctioning or if you notice any unusual sounds or behaviors.
- Always keep the muzzle pointed in a safe direction when handling the firearm.
- Ensure that bystanders are at a safe distance when using the firearm.

## Instructions for Installation and Usage

### 1. Installation of the ARIC Internal Carrier:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing Bolt Carrier Group, Recoil Spring, and Buffer from the firearm.
- Insert the ARIC Internal Carrier into the receiver, ensuring proper alignment.
- Reinstall any necessary components according to the manufacturer's instructions.

### 2. Usage of the ARIC Internal Carrier:

- Confirm that the firearm is properly assembled and that the ARIC Internal Carrier is securely in place.
- Check that the firearm is clean and free of obstructions before firing.
- Fire the firearm in both the folded and unfolded positions as required for your mission profile.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the ARIC Internal Carrier and any related components in accordance with local regulations regarding electronic waste and firearm parts.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ARIC Internal Carrier, please refer to the manufacturer's contact information provided with your product. It is important to seek assistance for any technical inquiries or safety concerns.

## **Regulatory Compliance**

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). It addresses the following aspects: \* Identification of potential hazards associated with the use of the ARIC Internal Carrier. \* Clear instructions for avoiding these hazards through proper use and maintenance. \* Recommendations for safe handling practices, particularly for vulnerable groups.

## **Conclusion**

By following the safety instructions outlined in this guide, you can help ensure a safe and enjoyable experience with your Law Tactical ARIC Internal Carrier for AR15. Always prioritize safety and compliance with local laws while handling firearms. Thank you for your attention to these important safety guidelines.
