

# 7.62 BOLT CATCH - 7.62MM AA DIMPLED AUGMENTED BOLT CATCH

[Home](#)

ABC/R has finally made its way to 7.62mm, LR308 pattern ARs. ABC/R version 3 features a ledge on top of the upper paddle, and bottom of the lower paddle for increased traction. Due to the non-standard based nature of 7.62mm AR platform, many of 5.56mm ABC/R v3's features would introduce incompatibility issues on 7.62mm ARs. Please note that though the ABC/R v3's upper paddle is angled and tapered, and Forward Controls Design have tested it on upper receivers with a small, oval shaped bolt catch paddle cutout, such as found on DMPS's LR308 upper receiver, the upper corners of ABC/R v3 7.62mm may come in contact with receivers and mar it in two small places inside the cutout. These are cosmetic only, they don't affect the functionality of the bolt catch. For receivers with a generous bolt catch paddle cutout, such as Rainier Arms, Mega, F4 Defense, etc. there is ample clearance for ABC/R v2, 7.62mm. Machined from billet 8620 alloy steel and heat treated with DLC finish. The ABC/R v3 is proudly designed and made in the USA. 7.62mm ABC/R v3 is incompatible with 5.56mm spec AR lower receivers. Please note the ABC/R was not designed for use on 9mm receivers that use Colt 9mm magazines which require a Colt 9mm bolt catch. Incompatibilities: KAC SR25 Armalite AR10B 2A Armament Xanthos PSA PA10 Mega

## Attributes

- Name: [7.62MM AA DIMPLED AUGMENTED BOLT CATCH](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 430103554
- Mfr. No.: ABC/R, 7.62 AA
- Make: AR .308
- Delivery weight: 0.476kg
- Shipping height: 20mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 682318760359

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for the 7.62 BOLT CATCH

## Introduction

Thank you for choosing the 7.62 BOLT CATCH, designed for 7.62mm LR308 pattern ARs. This guide provides important safety information to ensure the safe use and installation of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- **Product Safety:** Ensure that this product is used in accordance with all safety instructions. It is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Ensure you follow any instructions provided.
- **Online Shopping:** If purchased online, confirm that the platform complies with safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries, please refer to the designated contact point within the EU.
- **Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:**
  - This product is specifically designed for 7.62mm AR platforms and is incompatible with 5.56mm spec AR lower receivers.
  - Do not attempt to use this product on 9mm receivers that require a Colt 9mm bolt catch.
- **Installation Risks:**
  - Ensure that the upper paddle is properly aligned during installation to avoid contact with the receiver that may lead to cosmetic damage.
- **Handling:**
  - Handle the product with care to avoid injury. The edges may be sharp.
- **Inspection:**
  - Regularly inspect the bolt catch for any signs of wear or damage. Replace if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools before beginning installation.
- Read the product manual thoroughly.

### 2. Installation Steps:

- **Step 1:** Remove the existing bolt catch from your AR platform.
- **Step 2:** Align the ABC/R v3 7.62mm with the bolt catch paddle cutout on the upper receiver.
- **Step 3:** Securely fasten the bolt catch in place, ensuring it is seated properly.
- **Step 4:** Test the functionality of the bolt catch by cycling the action of the firearm.

### 3. Usage Instructions:

- Always check that the bolt catch is functioning correctly before each use.
- Ensure that the firearm is pointed in a safe direction when operating the bolt catch.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For additional support or inquiries regarding the 7.62 BOLT CATCH, please refer to the appropriate contact point in the EU.

Thank you for prioritizing safety and for choosing the 7.62 BOLT CATCH. Your attention to these guidelines will help ensure a safe and effective experience with your product.
