

RIDGELINE FFT STOCK UPGRADE KITS FOR REMINGTON 700® - CHRISTENSEN ARMS RIDGELINE FFT UPGRADE KIT FOR SA REMINGTON 700 GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

WinnerUtilizing an Aerospace monocoque shell, Flash Forged Technology eliminates unnecessary internal weight. The result is an FFT-designed stock that is up to a full pound lighter than traditionally manufactured carbon fiber composite rifle stocks - creating a more consistent shooting foundation while reducing user fatigue in the field. Flash Forged Technology is available exclusively on select Christensen Arms firearms. For short action Rem 700 footprint only; Heavy or Sporter contour profile barrel channel. Stock includes stainless steel pillars, and sling studs. Brownells has paired the Christensen short and long action stocks with their respective short or long action floorplates, along with the FFT Bolt Knob. Compatible with long action or short action Christensen Arms and Rem 700 footprint stocks, the carbon fiber FFT floor plate utilizes Aerospace, Flash Forged Technology eliminates unnecessary weight reduces weight, and adds a tasteful profile to your build. Please review descriptions for short or long action options. Replacement bulb bolt knob found on Christensen Arms Ultra Lightweight FFT hunting rifles. Features FFT carbon fiber material.

Safety Instruction Guide for RIDGELINE FFT Stock Upgrade Kits for Remington 700®

Introduction

Thank you for choosing the RIDGELINE FFT Stock Upgrade Kit for your Remington 700®. This guide provides essential safety instructions to ensure the safe and effective use of your product. It is important to read and understand this guide before installation and use.

General Safety Guidelines

- Ensure the stock upgrade kit is compatible with your specific firearm model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the stock upgrade kit out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limits specified by the manufacturer.
- Ensure that all components are securely installed before using the firearm.
- Avoid using the firearm in adverse weather conditions that may affect performance.
- Use appropriate protective gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components required for installation.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation

- Remove the existing stock from your Remington 700® following the manufacturer's instructions.
- Align the new RIDGELINE FFT stock with the rifle's action.
- Secure the stock using the provided stainless steel pillars and screws.
- Attach the sling studs as needed for your setup.

3. Usage

- Before using the firearm, perform a function check to ensure everything is operating correctly.
- When shooting, maintain a firm grip on the firearm and be aware of recoil.
- After use, clean and maintain the stock according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the stock becomes damaged beyond repair, dispose of it in a manner that complies with local waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure the safe and effective use of your RIDGELINE FFT Stock Upgrade Kit for Remington 700®. Thank you for prioritizing safety in your shooting experience.
