[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Aero Precision's state of the art M5E1 platform starts here, with the M5E1 Upper Receiver. The M5E1 upper receiver is a one-piece design combining the handguard mounting platform with the upper itself. Through superior engineering, they have condensed the parts needed to mount a free-floated handguard to a mere 8 screws. Since the handguard mounting surface and upper are of the same forging, not only is it a stronger system, but Aero Precision is able to make additional lightening cuts to save weight and allow for more efficient cooling. Ease of installation - Simply insert your barrel assembly into the M5E1 upper, tighten it using the included barrel nut and slide your rail on and tighten the rail screws. Within minutes you have a modular, free-floated rail. FEATURES: M4 Feedramps .2795 takedown pin holes Comes assembled, with dust cover and forward assist installed M5E1 SPECIFIC DETAILS: Handguard mounting platform is forged into the receiver Works with Aero Precision M5 Enhanced Handguards Barrel nut included Torque to 65 ft. lbs. with an armorer's wrench INCLUDES: M5E1 Upper Receiver in Black, Flat Dark Earth, Olive Drab Green, Kodiak Brown. Port Door and Forward Assist installed Barrel Nut A Note from the Supplier - The M5E1 Upper Receiver is specifically designed to be used with our M5 Enhanced Handguards. It will not work with other AR10/308 handguards.

# Safety Instruction Guide for M5E1 .308 WIN Enhanced Assembled Upper Receiver

## Introduction

Thank you for choosing the M5E1 .308 WIN Enhanced Assembled Upper Receiver by Aero Precision. This product is designed for use with your firearm and is built with safety and performance in mind. Please read this safety instruction guide carefully to ensure safe usage and installation.

## General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Ensure that the product is used only by individuals who are knowledgeable about firearm safety and operation.
- Store the upper receiver in a secure location, away from children and unauthorized users.
- Regularly inspect the upper receiver for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the M5E1 Upper Receiver is compatible with your firearm before installation.
- Use protective eyewear when handling the upper receiver and during installation.
- Do not exceed the recommended torque specifications when installing the barrel nut (65 ft. lbs. with an armorer's wrench).
- Avoid using excessive force when tightening screws to prevent damage to the product.
- Do not use the upper receiver with incompatible handguards or components, as this may create safety hazards.
- Be aware of the potential for sharp edges on the receiver and handle with care to avoid cuts or injuries.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools, including an armorer's wrench and appropriate screws.
- Verify that your barrel assembly is ready for installation.

### 2. Installation Steps:

- Insert the barrel assembly into the M5E1 upper receiver.
- Secure the barrel assembly by tightening the included barrel nut using the armorer's wrench.
- Attach the desired rail by sliding it onto the upper receiver and tightening the rail screws.
- Confirm that all components are securely fastened before proceeding.

### 3. PostInstallation Check:

- Inspect the installation to ensure all parts are properly aligned and tightened.
- Perform a function check on your firearm to ensure that it operates correctly with the new upper receiver.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the upper receiver is damaged beyond repair, contact your local waste management facility for proper disposal methods.
- Do not dispose of the product in regular household waste if it is still functional; consider recycling options or donating to a qualified organization.

## **Contact Information for Further Support**

If you have questions or require further assistance regarding the M5E1 .308 WIN Enhanced Assembled Upper Receiver, please refer to the contact information provided by the manufacturer. Ensure you have the product details on hand for efficient support.

By following these guidelines and instructions, you can ensure a safe and effective experience with your M5E1 .308 WIN Enhanced Assembled Upper Receiver. Thank you for your attention to safety.
