# M5E1 308 Winchester Assembled Upper Receiver

## Safety Instructions

### Introduction

Thank you for choosing the M5E1 308 Winchester Assembled Upper Receiver. This product is designed to provide you with a highperformance experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure that all users are familiar with firearm safety principles and practices.
- Always treat the assembled upper receiver as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Use only compatible components and accessories to avoid malfunctions or accidents.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper handling or misuse may lead to serious injury or death.
  - Always ensure the firearm is unloaded before performing any maintenance or modifications.
- **Avoiding Hazards:**
  - Never point the firearm at anything you do not intend to shoot.
  - Do not attempt to modify or alter the assembled upper receiver in any way that is not specified by the manufacturer.
  - Use appropriate personal protective equipment (PPE) when handling or shooting firearms.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals aged 18 years and older.
  - Keep this product away from children and ensure that they are educated about the dangers of firearms.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing upper receiver from the lower receiver according to the manufacturer's instructions.
  3. Align the M5E1 Enhanced Assembled Upper Receiver with the lower receiver.
  4. Securely attach the upper receiver to the lower receiver using the takedown pins.
  5. Verify that the upper receiver is properly seated and locked in place.
- **Usage:**
  - Always perform a visual inspection of the firearm before use.
  - Ensure that the barrel is clear of obstructions.
  - Load the firearm in accordance with standard operating procedures.
  - When firing, maintain a proper stance and grip to ensure control of the firearm.
  - After use, clean and maintain the assembled upper receiver according to the manufacturer's guidelines.

### Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular waste. Contact local authorities for proper disposal methods.
- Ensure that all components are rendered inoperable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the M5E1 308 Winchester Assembled Upper Receiver, please contact the manufacturer or your local authorized dealer. Ensure that you have the product details and any relevant information available to facilitate assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your M5E1 308 Winchester Assembled Upper Receiver. Thank you for your attention to safety.
