

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 16.6" M-LOK HANDGRD FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your handguard. Please read and understand all sections carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Ensure that the handguard is compatible with your specific AR15 model.
- Inspect the handguard for any damage or defects before use.
- Store the handguard and all firearm components in a secure location, away from children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for accessories mounted on the handguard.
- Avoid placing hot or heated objects directly on the handguard to prevent damage.
- Regularly check the handguard for signs of wear or damage, especially after extensive use.
- If you experience any unusual vibrations or movements during use, stop immediately and inspect the handguard.
- Ensure that all accessories attached to the handguard are securely fastened before use.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation Steps

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the GEN2 Enhanced Handguard with the upper receiver.
- Secure the handguard using the provided antirotation tabs and mounting hardware.
- Ensure that the handguard is firmly attached and does not move when shaken.

3. Usage

- The handguard is designed for modularity with MLOK accessories. Ensure that any accessories used are compatible with the MLOK system.
- When using the handguard, maintain proper grip and control of the firearm.
- Regularly check the tightness of the mounting hardware during usage.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding firearm components.
- If the handguard is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Always prioritize safety and compliance with local laws when handling firearms.
