

# AR-15 PREMIUM BLACK SERIES 6.5 CREEDMOOR RIFLE BARRELS - BALLISTIC ADVANTAGE PREMIUM BLACK SERIES 6.5 CREED 18" 1-8 TWIST HANSON QPQ BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

These 6.5 Creedmoor chambered (DPMS style) barrels are machined from 416R Stainless Steel with a QPQ Corrosion Resistant finish. Premium Black Series 6.5 Creedmoor Barrels are proof fired and MPI tested, ensuring the best in quality and accuracy. 6.5 Creedmoor is the perfect option if you're looking to maximize the accuracy of your .308 platform. Apart from a simple barrel swap, all parts, including the bolt and mag, remain the same as a normal .308 build. The inherently accurate 6.5mm projectile, the increasing amount of off-the-shelf match grade factory 6.5 Creedmoor ammunition, and the extremely soft recoil pulse all combine to create one of the best black rifle options available. Hanson Series Barrels feature Ballistic Advantage's proprietary BA Hanson profile and include a pinned lo-pro gas block. Hanson barrels are not designed to work with aftermarket piston kits.

## Attributes

- Name: [BALLISTIC ADVANTAGE PREMIUM BLACK SERIES 6.5 CREED 18" 1-8 TWIST HANSON QPQ BBL](#)
- Manufacturer: [BALLISTIC ADVANTAGE](#)

# Safety Instruction Guide for AR15 PREMIUM BLACK SERIES 6.5 CREEDMOOR RIFLE BARRELS

## Introduction

Thank you for choosing the AR15 PREMIUM BLACK SERIES 6.5 CREEDMOOR RIFLE BARRELS. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of your rifle barrel. Please read this guide carefully to ensure safe handling and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users of the rifle barrel are familiar with firearm safety rules.
- Always treat the rifle as if it is loaded, even if you believe it is not.
- Keep the rifle barrel pointed in a safe direction at all times.
- Store the rifle and its components securely to prevent unauthorized access.
- Use only ammunition that is compatible with the 6.5 Creedmoor specifications.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Do not attempt to modify the rifle barrel or its components in any way.
- Ensure that the barrel is properly installed before attempting to fire the rifle.
- Use appropriate eye and ear protection when firing the rifle.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Do not use the rifle barrel in wet or damp conditions, as this may affect performance and safety.
- If you experience any malfunctions or irregularities while firing, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded and the safety is engaged.
- Remove the old barrel from the AR15 platform according to the manufacturer's instructions.
- Carefully install the new 6.5 Creedmoor barrel, ensuring it is securely fastened.
- Attach the pinned lopro gas block as per the manufacturer's specifications.
- Doublecheck all connections and fittings to ensure they are tight and secure.

### 2. Usage:

- Load the rifle with compatible 6.5 Creedmoor ammunition.
- Engage the safety mechanism before loading.
- Once loaded, disengage the safety and prepare to fire.
- Maintain a stable shooting position and focus on your target.
- After firing, ensure the rifle is unloaded before handling or cleaning.

## Disposal Instructions

- Dispose of the rifle barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your AR15 PREMIUM BLACK SERIES 6.5 CREEDMOOR RIFLE BARRELS, please reach out to the manufacturer or a qualified firearms expert for assistance.

Please remember that safety is paramount when handling firearms. Following these guidelines will help ensure a safe and enjoyable experience with your new rifle barrel.
