

AR-15 PREMIUM SERIES 6.5 GRENDAL RIFLE BARRELS - BALLISTIC ADVANTAGE 6.5 GRENDAL 16" 1-8 TWIST SPR FLUTED MIDLENGTH BBL W/LO PRO

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

These 6.5 Grendel "Type 2" chambered barrels are machined from 416R Stainless Steel with a bead blasted finish. Premium Series Barrels feature a Nickel Boron Coated Extended M4 Feed Ramp Extension. Hanson Series Barrels feature Ballistic Advantage's proprietary BA Hanson profile and include a pinned lo-pro gas block. Hanson barrels are not designed to work with aftermarket piston kits. BA Fluted barrels deliver the perfect balance of weight and rigidity. Utilizing six and eight flute designs Ballistic Advantage achieved weight reduction up to and exceeding 16 ounces. Confidently lighten your kit without sacrificing an ounce of accuracy.

Safety Instruction Guide for AR15 PREMIUM SERIES 6.5 GRENDDEL RIFLE BARRELS

Introduction

Thank you for choosing the AR15 PREMIUM SERIES 6.5 GRENDDEL RIFLE BARRELS. This guide provides important safety information and instructions for the safe use and maintenance of your rifle barrel. Please read this document thoroughly to ensure safe handling and compliance with EU safety regulations.

General Safety Guidelines

- Ensure all safety precautions are followed during the handling and use of the rifle barrel.
- Always treat the rifle barrel as if it is loaded, even when it is not.
- Store the rifle barrel in a secure location, out of reach of children and unauthorized users.
- Use only compatible ammunition (6.5 Grendel) and ensure it meets safety standards.
- Regularly inspect the barrel for signs of wear, damage, or corrosion before use.
- Familiarize yourself with the specific features and operating instructions of your rifle system.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the rifle.
- Ensure the rifle is pointed in a safe direction at all times.
- Do not modify the barrel or use aftermarket components that are not compatible with the AR15 platform.
- Avoid using the rifle barrel in adverse weather conditions that may affect performance.
- Ensure the gas system is properly installed and functioning before use.
- Do not attempt to disassemble or modify the barrel without proper training and tools.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure you have the necessary tools, including a torque wrench and appropriate gun cleaning supplies.
- Read the manufacturer's instructions for your specific rifle model.

2. Remove Existing Barrel

- Unload the rifle and ensure it is in a safe condition.
- Remove the handguard and any accessories attached to the existing barrel.
- Use a barrel nut wrench to remove the existing barrel from the upper receiver.

3. Install New Barrel

- Align the new AR15 PREMIUM SERIES 6.5 GRENDDEL barrel with the upper receiver.
- Secure the barrel using the barrel nut, applying the appropriate torque as specified by the manufacturer.
- Reattach the handguard and any other accessories.

4. Gas Block Installation

- Ensure the pinned lopro gas block is properly aligned with the gas port on the barrel.

- Secure the gas block according to the manufacturer's specifications.

5. Final Check

- Inspect the installation to ensure everything is secure.
- Ensure the muzzle threads (5/824) are clean and free of debris.

Usage Instructions

- Load the rifle with 6.5 Grendel ammunition only.
- Check the gas system for proper functionality before firing.
- Fire the rifle in a controlled environment, ensuring all safety measures are observed.
- Clean the barrel regularly to maintain performance and prevent corrosion.

Disposal Instructions

When the barrel reaches the end of its usable life or if it is damaged beyond repair, dispose of it in accordance with local regulations. Do not discard it in regular household waste. Consult local authorities for proper disposal methods.

Contact Information for Further Support

For inquiries regarding safety, usage, or product support, please refer to the appropriate contact channels provided by the manufacturer. Ensure you have your product details available for efficient assistance.

Conclusion

The AR15 PREMIUM SERIES 6.5 GRENDAL RIFLE BARRELS are designed for performance and safety. By following the guidelines and instructions outlined in this document, you can enjoy your product while ensuring compliance with safety standards. Thank you for your attention to these important safety measures.
