RECC·E™ Carbine Stock QD Front End Safety Instruction Guide

Introduction

Thank you for choosing the RECC·E™ Carbine Stock QD Front End by Reptilia®. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and accessories securely, out of reach of children.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- If you notice any irregularities in the product, discontinue use immediately and seek professional assistance.
- Always follow local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- Ensure that the RECC·E™ Carbine Stock QD Front End is compatible with your firearm model before installation.
- Do not exceed the manufacturer's recommended weight limits for accessories attached to the QD cup.
- When using the QD attachment point, ensure that it is securely fastened before use.
- Avoid using the QD Front End in extreme weather conditions that may affect its performance.
- Be cautious when swapping the QD cup from one side to another; ensure that it is properly locked in place.
- Do not modify or alter the product in any way, as this may compromise safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Attach the QD Front End:**
 - Align the QD Front End with the front of your RECC·E™ Stock.
 - Securely attach it according to the manufacturer's guidelines.
3. **Check Compatibility:** Ensure that the attachment is firm and does not wobble.
4. **QD Cup Positioning:** Decide whether to position the QD cup on the left or right side and swap it if necessary.

Usage

- When ready to use, ensure that the QD Front End is securely attached.
- Use the QD attachment point for slings as intended, ensuring proper tension and security.
- Regularly check the attachment point for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the RECC·E™ Carbine Stock QD Front End responsibly.

- Follow local regulations for the disposal of polymer and metal materials.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the RECC·E™ Carbine Stock QD Front End, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your RECC·E™ Carbine Stock QD Front End. Thank you for prioritizing safety and compliance with regulations.
