Safety Instruction Guide for OTIS SNAP CAPS 380 ACP

Introduction

Thank you for choosing the OTIS SNAP CAPS 380 ACP. These snap caps are designed for safe dry fire practice, function checks, and training without the risk of damaging your firearm. This guide provides essential safety instructions and usage guidelines to ensure a safe experience.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps only in firearms that are compatible with the specified caliber.
- Keep snap caps out of reach of children and unauthorized users.
- Regularly inspect your snap caps for wear and damage before each use.
- Store snap caps in a cool, dry place away from direct sunlight.
- Report any unsafe products or incidents to the authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure your firearm is unloaded before inserting snap caps.
- Do not use snap caps as live ammunition; they are for training purposes only.
- Always follow the manufacturer's instructions for your firearm.
- When practicing dry fire drills, ensure that the area is safe and free of distractions.
- Avoid using snap caps that show signs of damage or excessive wear.
- If you experience any malfunction during use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is pointed in a safe direction.
- Check that the chamber is clear and the firearm is unloaded.

2. Inserting Snap Caps:

- Take a snap cap and insert it into the magazine or directly into the chamber, depending on the firearm design.
- Ensure that the snap cap is seated properly.

3. Dry Fire Practice:

- Engage in dry fire drills by pulling the trigger as you would with live ammunition.
- Observe the firearm's function and practice your trigger pull technique.

4. Function Checks:

- Use snap caps to check the extractor and ejector functions.
- Cycle the action of your firearm to ensure proper operation.

5. Decocking:

- Use snap caps for safe decocking of your firearm without risking damage to the firing pin or

hammer springs.

6. PostUse:

- After practice, remove the snap caps from the firearm.
- Store snap caps in their designated storage container.

Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local regulations.
- Do not dispose of snap caps in regular household waste if they are damaged; consult local waste management guidelines for hazardous materials.

Contact Information for Further Support

For any safety inquiries or product concerns, please reach out to the designated contact point provided by the manufacturer. Ensure you have the product details on hand for a quicker response.

Thank you for adhering to these safety guidelines. Enjoy your training with the OTIS SNAP CAPS 380 ACP!
