## Safety Instruction Guide

### Introduction

Thank you for choosing the Otis Snap Caps for your firearm training needs. These snap caps are designed for safe practice, function checks, and decocking without the risk of damaging your firearm. This guide provides important safety information and instructions for the proper use and disposal of your snap caps, ensuring compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always treat your firearm as if it is loaded, even when using snap caps.
- Ensure that the area is clear of people and obstacles when practicing.
- Keep snap caps out of reach of children and unauthorized users.
- Regularly inspect your snap caps for wear or damage before use.
- Store snap caps in a safe, dry place when not in use.
- Report any unsafe conditions or accidents to relevant authorities.

### Specific Safety Precautions for Use

- Use only in firearms that are compatible with the .40 S&W caliber.
- Do not use snap caps for live ammunition or in a manner not intended by the manufacturer.
- Follow your firearm's user manual for specific instructions on dry firing and function checks.
- Avoid using snap caps in environments that could lead to accidental discharge or injury.
- When decocking, ensure that the firearm is pointed in a safe direction.

### Instructions for Installation and Usage

#### 1. Loading the Snap Caps:

- Open the firearm's action as per the manufacturer's instructions.
- Insert the snap caps into the magazine or chamber as you would with live ammunition.

#### 2. Dry Firing Practice:

- Ensure the firearm is pointed in a safe direction.
- Pull the trigger to practice dry firing, focusing on trigger control and sight alignment.
- After use, remove the snap caps from the firearm.

#### 3. Function Checks:

- Use snap caps to check extractors and ejectors by cycling the action of the firearm.
- Inspect the snap caps after each use for any signs of wear or damage.

#### 4. Decocking:

- To safely decock your firearm, follow the specific instructions in your firearm's user manual.
- Ensure that snap caps are used to prevent damage to the firing pin and springs.

### Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local regulations.

- Do not dispose of snap caps in regular household waste if they are damaged.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Otis Snap Caps, please refer to the manufacturer's website or contact the designated customer service for assistance.

Thank you for prioritizing safety in your firearm training. Enjoy your practice with the Otis Snap Caps!
