# Safety Instruction Guide for Otis Snap Caps 45 ACP 5/Pack

## Introduction

Thank you for choosing Otis Snap Caps for your firearm training needs. This guide provides essential safety instructions to ensure safe use of the product while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use the Snap Caps safely and effectively.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use Snap Caps only in firearms of the specified caliber.
- Do not use Snap Caps for live ammunition or any purpose other than dry fire practice and function checks.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction before inserting or removing Snap Caps.
- Always check that the firearm is unloaded before inserting Snap Caps.
- Use Snap Caps only in a controlled environment where dry firing is permitted.
- Do not exceed the recommended number of dry fire drills to avoid unnecessary wear on the firearm.
- If you experience any malfunctions or irregularities while using Snap Caps, stop using them immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Inserting Snap Caps:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is empty.
- Insert the Snap Caps into the magazine or chamber according to the firearm's design.

### 2. Using Snap Caps:

- Perform dry fire drills as needed, ensuring that the firearm is pointed in a safe direction at all times.
- Use Snap Caps for function checks, such as testing the trigger pull and extractor/ejector functionality.

### 3. Removing Snap Caps:

- Open the action of the firearm and remove the Snap Caps after use.
- Visually inspect the chamber to ensure it is clear of any Snap Caps or live ammunition.

## Disposal Instructions

- Dispose of any damaged or worn Snap Caps in accordance with local regulations.
- Do not attempt to reuse Snap Caps that show signs of significant wear or damage.
