# **Safety Instruction Guide for Otis Snap Caps 44 Magnum 3/Pack**

## **Introduction**

Thank you for choosing the Otis Snap Caps 44 Magnum. These training tools are designed for safe dry fire practice, function checks, and safe decocking of firearms. This guide provides essential safety instructions to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always treat all firearms as if they are loaded.
- Ensure that you are in a safe environment when using Snap Caps.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for signs of wear or damage before use.
- Do not use Snap Caps with live ammunition or in any livefire situations.
- If a Snap Cap is damaged, discontinue use immediately and dispose of it properly.

## **Specific Safety Precautions for Use**

- Use Snap Caps only with firearms that are compatible with the specified caliber.
- Ensure that the firearm is pointed in a safe direction when practicing.
- Do not attempt to modify or alter Snap Caps in any way.
- Avoid using Snap Caps in environments where they may be confused with live ammunition.
- Always follow your firearm's user manual and safety instructions when using Snap Caps for practice.

## **Instructions for Installation and Usage**

### **1. Loading Snap Caps:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the Snap Caps into the magazine or cylinder as you would with live ammunition.

### **2. Performing Dry Fire Drills:**

- Practice dry firing your firearm with Snap Caps to improve trigger control and marksmanship.
- Refrain from rapid firing; focus on your technique.

### **3. Function Checks:**

- Use Snap Caps to check the function of extractors and ejectors.
- After performing function checks, always ensure the firearm is cleared of Snap Caps before storing or handling further.

### **4. Safe Decocking:**

- When decocking your firearm, use Snap Caps to prevent damage to the firing pin and to safely release tension on hammer springs.

### **5. Storage:**

- Store Snap Caps in a cool, dry place away from direct sunlight.
- Do not store Snap Caps in the same container as live ammunition.

## **Disposal Instructions**

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps into regular waste. Check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Otis Snap Caps, please refer to your local regulations or contact a qualified professional in your area.

By following these guidelines and instructions, you can ensure a safe and effective training experience with your Otis Snap Caps 44 Magnum. Thank you for your commitment to safety.
