# Safety Instruction Guide for Otis Snap Caps 45 Long Colt

## Introduction

Thank you for choosing the Otis Snap Caps 45 Long Colt. These snap caps are designed for safe dry firing practice, training, and function checks of your firearm. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure your firearm is unloaded before using the snap caps.
- Use snap caps only in firearms specifically designed for the corresponding caliber.
- Keep snap caps out of reach of children and unauthorized users.
- Regularly inspect snap caps for any signs of wear or damage before use.
- If a snap cap becomes damaged, do not use it and dispose of it properly.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the Otis Snap Caps for practice and training purposes.
- Do not use snap caps as actual ammunition.
- Ensure that your firearm is pointed in a safe direction at all times during practice.
- Avoid using snap caps in firearms that are not designed for dry firing.
- Do not attempt to modify or alter the snap caps in any way.
- Always follow the manufacturer's instructions for your specific firearm model.

## Instructions for Installation and Usage

### 1. Loading the Snap Caps:

- Ensure the firearm is pointed in a safe direction.
- Open the action of your firearm.
- Insert the snap caps into the magazine or directly into the chamber as per your firearm's design.
- Close the action of the firearm.

### 2. Dry Firing Practice:

- With the snap caps loaded, practice your dry firing drills.
- Focus on trigger control and sight alignment without the risk of live firing.
- After practice, remove the snap caps from the firearm.

### 3. Function Checks:

- Use the snap caps to perform function checks on your firearm.
- Ensure that the firearm cycles properly and that all mechanisms function as intended.

### 4. Safe Decocking:

- When decocking your firearm, use the snap caps to prevent damage to the firing pin and to safely release tension on the hammer springs.

## **Disposal Instructions**

- Dispose of damaged or worn snap caps in accordance with local regulations.
- Do not throw snap caps in regular household waste. Instead, check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For further support or inquiries regarding safety and usage of the Otis Snap Caps, please contact the manufacturer directly. Ensure to have your product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the Otis Snap Caps 45 Long Colt. Always prioritize safety and responsible firearm handling in all your practices.
