

GUN BLUE KIT - SHOOTERS CHOICE GUN BLUE KIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Metal Bluing](#) > [Liquid Cold Bluing Chemicals](#)

Looking to touch up an old gun or give it new life with a complete re-bluing? The Gun Blue kit by Shooter's Choice is a cold blue two part process that bonds to and colors the metal. It includes everything you need - including applicators - to get your gun blue job done. Includes enough chemicals for up to 3 complete re-blue's or dozens of touch ups. Like factory blue, it produces a beautiful, durable finish. This easy to apply product includes Gun Blue (2 oz.), Gun Cleaner Gel (1 oz.), Curing Agent (0.5 oz.), Lubricant (0.5 oz.) plus applicators, microfiber cloth, steel wool and scour pads. Be sure to follow comprehensive instructions to achieve desired results. DO NOT USE acetone, solvents, cleaners, degreasers, rust removers or any chemicals other than Shooter's Choice Gun Cleaner Gel to prepare the metal prior to refinishing. These products can leave residues in the pores of the metal and interfere with the bonding process of Shooter's Choice Gun Blue. Product Features: Cold blue two part process bonds to and colors the metal Great for touch-ups or complete re-bluing Up to 3 complete re-blue's or dozens of touch-ups Like factory blue and produces a beautiful, durable finish Easy to apply Everything you need including applicators, steel wool, scour pads and microfiber cloth

Safety Instruction Guide for Gun Blue Kit by Shooter's Choice

Introduction

Thank you for choosing the Gun Blue Kit by Shooter's Choice. This product is designed to help you touch up or completely reblue your firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles, when handling the chemicals.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical attention if necessary.
- Do not mix with other chemicals or cleaning agents, except for Shooter's Choice Gun Cleaner Gel as specified in the instructions.
- Follow all local regulations regarding the disposal of chemicals and hazardous materials.

Specific Safety Precautions for Use

- **Hazard Identification:** The Gun Blue Kit contains chemicals that can be harmful if misused.
- **Avoiding Hazards:**
 - Do not use acetone, solvents, cleaners, degreasers, rust removers, or any chemicals other than Shooter's Choice Gun Cleaner Gel on the metal before applying the Gun Blue.
 - Ensure that the surface to be treated is clean and free from residues to facilitate proper bonding.
 - If you experience any adverse reactions, stop using the product immediately and consult a medical professional.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that an adult supervises any use by minors.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: Gun Blue (2 oz.), Gun Cleaner Gel (1 oz.), Curing Agent (0.5 oz.), Lubricant (0.5 oz.), applicators, microfiber cloth, steel wool, and scour pads.
- Ensure you are in a wellventilated area and wearing appropriate PPE.

2. Cleaning the Metal:

- Use Shooter's Choice Gun Cleaner Gel to thoroughly clean the metal surface you wish to treat. Follow the instructions on the cleaner for best results.
- Rinse with water and dry completely.

3. Applying Gun Blue:

- Shake the Gun Blue bottle well before use.
- Apply the Gun Blue using the provided applicators. Ensure even coverage over the metal surface.
- Allow the Gun Blue to sit for the recommended time as per the instructions.

4. Curing:

- After applying Gun Blue, use the Curing Agent as directed to ensure the finish bonds properly.
- Allow the product to cure completely before handling the firearm.

5. Finishing Touches:

- Once cured, apply the Lubricant to protect the finish and enhance durability.
- Use the microfiber cloth to buff the surface for a polished look.

Disposal Instructions

- Dispose of any unused or expired chemicals according to local regulations for hazardous waste.
- Do not pour chemicals down drains or dispose of them in regular household waste.
- Check with your local waste management facility for proper disposal methods for chemical products.

Contact Information for Further Support

For any questions or concerns regarding the Gun Blue Kit or its safety, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the Gun Blue Kit by Shooter's Choice. Enjoy your firearm with a renewed finish!
