# SBRP BIPOD HARRIS Safety Instruction Guide

## Introduction

Thank you for choosing the SBRP BIPOD HARRIS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bipod. Please read this document carefully before using the product.

## General Safety Guidelines

- Always inspect the bipod before use to ensure it is in good condition.
- Use the bipod only for its intended purpose: stabilizing firearms for shooting.
- Keep the bipod out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure the shooting area is safe and secure.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure the bipod is securely attached to the Picatinny rail before use.
- Do not exceed the weight limit of the bipod. It is designed to support firearms only.
- Avoid using the bipod on unstable or uneven surfaces that may compromise stability.
- Always follow safe firearm handling practices when using the bipod.
- Be cautious of the bipod's legs when adjusting or moving to avoid pinching hazards.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the bipod's attachment mechanism with the Picatinny rail on your firearm.
- Securely attach the bipod by tightening the polymer knob until it is firmly in place.
- Check that the bipod is stable and does not wobble.

### 2. Usage:

- Extend the bipod legs to the desired height (6" to 9") by pulling them downwards until they click into place.
- Adjust the angle of the bipod by swiveling it to compensate for uneven terrain.
- Ensure the bipod is stable before placing your firearm on it.
- When finished, retract the legs by pressing the release mechanism and folding them back into place.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in regular household waste.
- Consider recycling components where possible, especially metal and plastic parts.

## Contact Information for Further Support

For any safety inquiries or support regarding the SBRP BIPOD HARRIS, please contact the manufacturer or refer to the product packaging for details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SBRP BIPOD

HARRIS. Thank you for your attention to these important guidelines.
