SLMP BIPOD HARRIS Safety Instruction Guide

Introduction

Thank you for choosing the SLMP Bipod Harris. This product is designed to provide stability and support for your shooting needs. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about the safe operation, installation, and disposal of the bipod.

General Safety Guidelines

- Always use the bipod in accordance with the manufacturer's instructions.
- Inspect the bipod before each use to ensure it is in good condition. Look for any signs of wear or damage.
- Do not exceed the maximum height of 13 inches when using the bipod.
- Use the bipod only on stable and level surfaces to prevent tipping or falling.
- Keep the bipod out of reach of children and pets when not in use.
- Report any accidents or unsafe conditions to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure the bipod is securely attached to the Picatinny rail before use.
- Be cautious when adjusting the legs; the springloaded mechanism may cause them to snap back quickly.
- Do not place excessive weight on the bipod beyond its intended use.
- Avoid using the bipod in extreme weather conditions that may affect its performance or safety.
- Always ensure that the area around you is clear of obstacles when deploying the bipod.

Instructions for Installation and Usage

1. **Installation:**

   - Align the bipod with the Picatinny rail on your firearm.
   - Slide the bipod onto the rail until it clicks into place, ensuring a secure fit.
   - Test the attachment by gently pulling on the bipod to confirm it is locked in place.

2. **Adjusting the Height:**

   - To adjust the height, press the notched leg button and extend or retract the leg to the desired height (9 to 13 inches).
   - Release the button to lock the leg in place.
   - Repeat for the other leg to ensure stability.

3. **Using the Bipod:**

   - Position the bipod on a stable surface.
   - Ensure the legs are evenly adjusted to maintain balance.
   - If using on uneven terrain, utilize the swiveling feature to level the bipod.

4. **PostUse Care:**

   - Clean the bipod with a soft cloth to remove dirt and debris.
   - Store the bipod in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is no longer usable, consider recycling the materials if possible.
- Do not dispose of the bipod in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the SLMP Bipod Harris, please consult your retailer or manufacturer for assistance.

Thank you for prioritizing safety while using the SLMP Bipod Harris. Enjoy your shooting experience!
