S25CMLOK Bipod Safety Instructions

Introduction

Thank you for choosing the S25CMLOK Bipod by Harris. This bipod is designed to enhance your shooting experience by providing stability and support. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the bipod for any signs of damage or wear before each use.
- Ensure that all components are securely attached before using the bipod.
- Use the bipod only for its intended purpose, as specified in the product description.
- Keep the bipod out of reach of children and do not allow them to use it without adult supervision.
- Report any unsafe conditions or accidents involving the bipod to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Stability:** Ensure that the bipod is placed on a stable surface to prevent it from tipping over.
- **Weight Limit:** Do not exceed the weight limit of the bipod as specified in the product specifications.
- **Uneven Terrain:** When using the bipod on uneven terrain, adjust the legs to maintain stability and prevent tipping.
- **Sling Use:** Use the builtin sling swivel stud to attach the sling securely. Ensure that the sling is not tangled or caught during use.
- **Hex Key:** Use a 1/8 hex key (not included) for adjustments. Ensure the hex key is properly secured after use.
- **Footwear:** Wear appropriate footwear when using the bipod in outdoor conditions to prevent slips and falls.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the bipod from the packaging, ensuring not to damage any components.
2. **Inspection:** Inspect all parts for damage or defects before assembly.
3. **Attachment:**
 - Align the bipod with the MLOK handguard.
 - Securely attach the bipod using the provided mounting hardware.
4. **Leg Adjustment:**
 - Extend the legs to your desired height (13.5" to 27").
 - Ensure that the legs are locked in place before use.
5. **Swivel Adjustment:**
 - To adjust for uneven terrain, gently swivel the bipod head to the desired angle.
6. **Sling Attachment:**
 - Attach your sling to the builtin swivel stud, ensuring it is secure.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding electronic and metal waste.
- If the bipod is no longer functional, consider recycling the materials where possible.
- Do not dispose of the bipod in general household waste.

Contact Information for Further Support

For any questions or concerns regarding the S25CMLOK Bipod, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.
