# Safety Instruction Guide for 1A225 BIPOD HARRIS

## Introduction

Thank you for choosing the 1A225 BIPOD HARRIS. This guide provides essential safety instructions and usage guidelines to ensure your safety and the optimal performance of the product. Please read this document carefully before using the bipod.

## General Safety Guidelines

- Ensure the bipod is used only for its intended purpose.
- Regularly inspect the bipod for any signs of wear or damage before each use.
- Keep the bipod out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the bipod; it is designed for ultralight firearms.
- Always ensure the bipod is securely attached to the sling swivel stud before use.
- Avoid using the bipod on unstable surfaces to prevent tipping or falling.
- When in the prone position, be aware of your surroundings to avoid accidents.
- Use caution when adjusting the height of the bipod to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the bipod is in the collapsed position (12 inches) before attaching it.
- Locate the sling swivel stud on your firearm.
- Align the bipod's attachment point with the sling swivel stud.
- Push the bipod onto the swivel stud until it clicks into place.
- Confirm that the bipod is securely attached by gently pulling on it.

### 2. Usage:

- To extend the bipod, grasp the legs and pull down until the desired height (up to 25 inches) is reached.
- Adjust each leg to ensure stability on uneven ground.
- When in use, ensure the firearm is safely positioned and your finger is off the trigger until ready to shoot.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged beyond repair, ensure it is recycled or disposed of in an environmentally friendly manner.
- Do not dispose of the bipod in regular household waste.

## Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the appropriate EUbased contact point. Ensure that you have the product details at hand when seeking support.

By following these guidelines, you can ensure safe and effective use of your 1A225 BIPOD HARRIS. Thank you for your attention to safety.
